RE: J.M. Wood Auction Company, Inc. Auction Sales Agreement and Equipment Auction

Dear Mr. Wood:

The Baldwin County Commission, during its regularly scheduled meeting held on January 21, 2014, took the following actions:

- 1) Approved the **enclosed Auction Sales Agreement** between J.M. Wood Auction Company, Inc., and Baldwin County, which will be applicable to all departments of the Commission, with all future auction inventory lists being brought to the Commission for approval. This *Agreement* shall become effective February 20, 2014, pending full execution by both parties, and terminate twelve (12) months from its effective date with an automatic renewal for an additional two (2) years, in one (1) year increments, unless cancelled by either party with a 30-day written notice prior to contract renewal; and
- 2) Approved the sale by auction of the **enclosed** list of Highway Department equipment at the J.M. Wood Auction facility in Montgomery on March 5-7, 2014.

If you have any questions or need further assistance, please do not hesitate to contact me at (251) 972-6833 or Cal Markert, County Engineer, at (251) 937-0371.

Sincerely,

CHARLES F. GRUBER, Chairman
Baldwin County Commission

Bay Minette, Alabama 36507

RE: Auction Agreement

Dear Commissioner;

We want to thank you for allowing **J.M. WOOD AUCTION COMPANY, INC.** the opportunity of submitting a proposal on the auction of your surplus equipment. We believe our method and services as an Auction Company are necessary for you to achieve the profitable and professional disposal you expect. The following is a breakdown of services provided with this Auction Agreement.

- ❖ **Auction Locations and Date:** Our permanent all-weather auction facilities are located in Montgomery, Alabama and Columbia, South Carolina. We also host auctions at other locations periodically throughout the year. Auction dates will be referenced and agreed upon by Baldwin County on the inventory sheet delivered to Baldwin County before each auction.
- ❖ **Traditional Auction Marketing:** J.M. Wood Auction will promote and feature your equipment in our full color auction magazine. A personalized mailing list will be selected from our database of over 100,000 domestic and international buyers. We will select potential buyers to market to by targeting recent buying patterns, trending industries and regional activity. Your auction will be promoted in numerous industry specific trade magazines as well as in over (300) newspapers reaching a broad range of potential buyers.
- ❖ **Online Auction Marketing:** Our team will go to work immediately posting your inventory with multiple photos and inspections on JMWood.com. Our website is an essential tool in reaching thousands of buyers who visit our site daily. Your inventory will also be posted on numerous worldwide industry related sites in front of millions buyers searching for equipment for their operations in countries across the globe. Your equipment will also be featured in J.M. Wood Auction's award winning social media marketing campaign consisting of outlets such as Face book, Twitter, YouTube and more. J.M. Wood Auction has been recognized by both Facebook and Constant Contact as one of their annual top performing marketing companies.

- ❖ **Auction Delivery, Pre Auction Services and Set Up:** We encourage you to schedule delivery of your equipment to the auction facility as soon as possible. This allows adequate time for pre-auction services such as detailed inspection reports, photography, video, clean-up and repairs. J.M. Wood Auction will provide the seller with a detailed report on any repairs and clean-up deemed necessary to make the equipment bring the maximum dollar. No repairs will be made without prior consent from seller. J.M Wood Auction will coordinate an on-site detailed clean-up service on the equipment listed on the sellers (Exhibit "A"). J.M. Wood Auction will have representatives aggressively marketing your equipment and answering questions from prospective buyers prior to the auction.
- ❖ **Auction Day:** With over 40 years in the auction business, it is in our blood. We live for auction day and it is exciting! When you arrive at one of our world class drive through auction facilities you will find a team of professionals that know and love their job. A detailed auction catalog with lot numbers will be presented to all the pre-approved buyers on hand. The equipment will be paraded past the auction theatre full of attendees and broadcast live on the internet as well. We will furnish all personnel to conduct the auction, collect proceeds, and assist in load-out.
- ❖ **Online Auction Bidding:** JMWoodLive.com is our exclusive proprietary online bidding service. Since its inception we have registered tens of thousands of pre-approved national and international buyers. Multiple photos of the exterior, interior and components of every item will be posted for online buyers. In addition, we provide detailed inspection services on any equipment the prospective buyer may need.
- ❖ **Buyer Services:** Prior to the auction, J.M. Wood Auction provides the buyer with detailed inspection services, financing options and logistical estimates. After the auction, we will coordinate logistics as well as dismantle and containerize equipment headed to the port.
- ❖ **Post Auction and Payment Terms:** J.M. Wood Auction will furnish a computerized statement of each item sold. We will issue seller a check for full settlement within 8 banking days after the date of auction. Any service fees incurred such as clean-up or repairs will be deducted from seller's net proceeds.
- ❖ **Liens and Encumbrances:** Auctioneer acts as Sellers agent. Seller guarantees they are sole owner of items being sold and states that items are free of all mortgages liens and encumbrances. Seller agrees to disclose any and all specific liens, blanket liens, mortgages, taxes, encumbrances or claims of any sort and states they are not connected to claim by Bankrupt Court or IRS. In the event such claim should exist Seller agrees to pay all legal expense incurred by Auctioneer to protect and defend clear title. Seller hereby authorizes J.M. Wood Auction Co., Inc. (hereby known as Auctioneer) at the absolute discretion of Auctioneer to carry out title searches in respect of the equipment at the expense of Seller, but in no case shall Auctioneer have a duty to conduct, nor be responsible for the results of any such title search. In event of encumbrances, payment will be made jointly to Seller and Lien holder. In the event that proceeds do not exceed encumbrance, Seller is responsible for balance remaining to lien holder to ensure clear title. Brenda S. Wood has power of attorney to sign for, receive, transfer or negotiate titles and bill of sales on auction items. Seller agrees to deliver bill of sales, tag receipts and current transferable titles or necessary documents to Auctioneer. Seller understands Auctioneer will not make payment until such document have been delivered.

Auction Agreement

- This is an auction contract beginning February 20, 2014 and continuing until February 19, 2015 at that time the contract will automatically renew for an additional two years (in one year increments) unless cancelled by either party with a 30 day written notice prior to contract renewal. J.M. Wood Auction will give a financial guarantee on any item requested by Baldwin County. A straight commission rate of **6% Absolute** will be charged to gross sales of items consigned by Baldwin County. Auctioneer will pay for all freight charges for the movement of the equipment to any of our auction sites.

We would like to thank you for allowing **J.M. WOOD AUCTION COMPANY, INC.** to present this proposal to you and we look forward to conducting your auction.

“WE TURN EQUIPMENT INTO CASH!!”

CONDITIONS OF MACK DUMP GUARANTEE

1. Vehicles must be in road-worthy condition, including engine (example; water in the oil or excessive blow-by not acceptable).
2. Brakes must be at least 50%.
3. Body damage on cab or body is not accepted. Broken glass not accepted, any factory-installed equipment must be in working condition (radio, air conditioner, lights, dump body tarps, etc.). All units must crank by the key.
4. Tires must have sound casing, average 50% remaining tread with original rubber in all positions. Each Mack Truck must have matched tread on rear axles.
5. Trucks must be delivered with clear and acceptable titles at time of sell.
6. Dump Body and Flat Body all hoist working properly, no hydraulic leaks, PTO working properly, sidewalls and floors in saleable condition (no bends, pits, or breaks).
7. Trucks must be delivered with on road fuel. No "OFF ROAD" fuel is acceptable and will require that we replace the fuel and fuel filters on the units in question.

ATTENTION: All repairs must be performed on the equipment as set forth in this report. If any of the above listed repairs are not performed or minimum requirements not met J.M. Wood Auction Co., Inc will have the repairs completed and deducted from seller's proceeds. ALL EQUIPMENT MUST BE IN THE SAME OR BETTER WORKING CONDITION, AS WHEN THIS CONDITION REPORT/APPRaisal WAS DONE. Should any of the foregoing conditions not be met, the equipment will be subject to reappraisal and/or reevaluation by an agent of J.M. Wood Auction Company, Inc.
