

FREQUENCY USE AGREEMENT

The following agreement is executed to comply with Section 90.421 of the Federal Communications Commission Rules.

The Alabama Department of Public Safety hereby gives permission for the **Baldwin County Commission** to operate base and mobile radios on radio frequencies licensed to the grantor by the Federal Communications Commission. Operation will be in accordance with all applicable FCC Rules and the granted permission may be revoked at any time for failure to comply with the FCC Rules or the Grantor's operating standards.

Permission is given to operate said units on the following frequencies:

- | | | |
|------------------|-------------------|-------------------|
| 1) 773.28125 MHZ | 7) 770.18125 MHZ | 13) 773.30625 MHZ |
