- B) In accordance with this Resolution and upon executing a Competitive Video Service Agreement, a Competitive Video Service Provider is authorized to occupy or use the Public Right-of-Ways within the service area to construct, operate, maintain, repair, and upgrade existing facilities and install new facilities for the purpose of providing Competitive Video Service within the Service Area.
- C) A Provider must comply with state and federal law and agree in its respective Franchise Agreement or Competitive Video Service Agreement to comply with any applicable requirements set forth in this Resolution, including, but not limited to compliance with and receipt of such permits, licenses, and legal authorizations as may be required by the Commission. This Resolution neither authorizes the Provider to use the Public Rights-of-Way for purposes of providing any other service, nor prohibits the Provider from doing so. The Provider's authority to provide non-cable service shall be subject to Applicable Law. No privilege or power of eminent domain is bestowed by this Resolution.

4. Level Playing Field

Any incumbent Provider providing Cable Service or Competitive Video Service in the unincorporated areas of Baldwin County on the effective date of this Resolution may immediately opt out of its existing Agreement with the Commission and enter into a new Agreement under Section 3.

5. Service and Technical Standards; Bonding

- A) A Provider shall design its System, and construct and maintain its System to have the capability to pass every dwelling unit within the Service Area, or such other

areas designated in the Agreement, subject to the extension provisions in this Section.

- B) A Provider will extend its Service in accordance with the following service extension formula:
1. Provider agrees to extend its Cable System or Competitive Video Service System to those areas where Provider receives a request for service from at least six (6) residential dwelling units per 660 feet of aerial plant as measured from Provider's existing distribution system. Such extension shall be at no cost to such subscriber other than the published standard/non-standard installation fees charged to all subscribers.
 2. Provider shall have the right, but not the obligation, to extend its System into any portion of the Service Area where another Provider is providing Service, into any annexed area which is not contiguous to the present Service Area, or into any area which is financially or technically infeasible due to extraordinary circumstances, such as a runway or freeway crossing.
- C) A Provider shall designate a responsible contact person including a telephone number available seven (7) days a week, twenty-four (24) hours a day, with whom representatives of the Commission can communicate on all matters relating to system installation, construction, operation, and maintenance.
- D) Providers shall procure and maintain bonding in such amounts and terms as the Commission deems appropriate, taking into account the number of subscribers and impact of the system on the rights of way.
- E) A Provider shall include a description of the broad categories of programming and services to be provided in its Agreement with the Commission.
- F) A Provider is responsible for insuring that its system is designed, installed and operated in a manner that fully complies with FCC rules in Subpart K of Part 76 of Chapter I of Title 47 of the Code of Federal Regulations as revised or amended from time to time. As provided in these rules, the County shall have, upon request, the right to obtain a copy of tests and records required in accordance with appropriate rules but have no authority, pursuant to federal law, to enforce compliance with such standards.

6. Fees For Operation of Cable Service and Competitive Video Service

- A) **Application Fee.** Any Provider seeking an Agreement for the first time, shall pay a non-refundable application fee in the amount of five thousand dollars (\$5,000.00) by cashier's check, certified check or money order payable to the Commission.
- B) As compensation for rights granted under this Resolution, Providers shall pay to the Commission a fee of five percent (5%) of the Provider's Gross Revenues subject to the terms of its Agreement.
- C) The Provider shall file with the Commission on such form as prescribed by the Commission within thirty (30) days after the end of each monthly period a report of the Gross Revenues in the Service Area during the preceding monthly period, and shall, at the same time, pay to the Commission a sum equal to five percent (5%) of the Gross Revenues for the said monthly period. In the event that any payment is not made on such date, interest on such payment shall apply from such date at the rate of twelve percent (12%) per annum. If the Provider's Agreement should be terminated or forfeited prior to the end of any monthly period, the Provider shall submit to the Commission within twenty (20) days of such termination or forfeiture the report and payment required by this Subsection.
- D) The Commission shall have the right to audit and to recompute any amounts determined to be payable in satisfaction of the fees set forth in this Section. Any additional amount due the Commission as a result of the audit shall be paid by Provider within thirty (30) days after the Provider receives a written notice from the Commission. The notice which the Commission sends to Provider shall include a copy of the audit report.
- E) In the event that payment of any fee set forth in this Section, which has been recomputed pursuant to Subsection (C) above is not made on or before the expiration of thirty (30) days following written notice by the Commission, Provider shall be charged and shall pay, in addition to the amount due, interest on the amount due in accordance with Section 6 (C) above.
- F) Any fee payable by a Provider shall be reduced dollar for dollar by any telecommunications, messages or similar taxes levied by the Commission on the Provider or its customers with respect to the Services and paid by or through the Provider to the Commission.

7. Right-of-Way Provisions

Providers operating Cable Systems and Competitive Video Service Providers providing Competitive Video Service in the unincorporated areas of Baldwin County shall abide by any applicable Right-of-Way construction standards as established, from time to time, by the Commission and/or the County Engineer.

8. Franchise To Operate Systems in the Unincorporated Areas of the County

- A) No Person shall offer to subscribers a Cable Service or Competitive Video Service within the service area except pursuant to this Resolution. A Provider, however, that has not elected under Section 4 to enter into an Agreement under Section 3 may continue to provide Service under its existing Agreement until the expiration of such agreement.
- B) All Agreements granted pursuant to this Resolution shall be nonexclusive. The Commission reserves the right to issue as many Agreements as it deems advisable in the public interest.
- C) The Agreements shall take effect and will be in force from and after the earliest period allowed by law, and upon the filing by the Provider with the Commission of its acceptance, in writing, of each and all of the terms and provisions of the Agreement; provided, however, if the Provider shall fail to file such written acceptance within thirty days after the adoption of the agreement by the Commission, then the Agreement shall be null and void.
- D) If any section, subsection, sentence, clause, phrase or portion of this Resolution is for any reason held invalid or unconstitutional by any court of competent jurisdiction, or in conflict with rules and regulations of the Federal Communications Commission, then such portion shall be deemed a separate, distinct and independent provision of this Resolution, and such holding shall not affect the validity of the remaining portions thereof.
- E) Any Agreement executed pursuant to this Resolution may be revoked after a full due process hearing by a simple majority vote of the Commission for violation of a material provision of this Resolution, after giving the Provider ninety (90) days notice in writing of intention to revoke such agreement, unless such violation is corrected during the period of notice.
- F) The term of each Agreement shall be five years from effective date.
- G) All renewals shall be in accordance with federal and other Applicable Law.

9. Service Rates to Subscribers; Customer Service

- A) The Franchising Authority may regulate rates for the provision of Basic Cable and equipment as expressly permitted by federal or state law.**
- B) An up-to-date written copy of all the Provider's rates, rules, regulations and policies having to do with subscriber service must be made available to subscribers at the time of connection or reconnection to the Service or at any time upon request, and provided to the County upon request. Such information may be made available to subscribers on the Provider's Web site.**
- C) Providers shall comply with the FCC's customer service standards, as amended.**

10. Scope

- A) This Resolution authorizes the use of the Public Right-of-Way for the provision of Cable Service and Competitive Video Service in the Service Area, but it does not take the place of any construction permit that may be required. The County Engineer shall be deemed to have given approval to any permit application if Provider does not receive any response within forty-five (45) days of the permit application submission date.**
- B) It shall be the responsibility of the Provider to obtain any and all such permits under any other present or future provision of law that is applicable generally to Providers.**

Failure of the Provider to obtain and conform to the material provisions of any and all such franchises, licenses, or permits, and to make prescribed payments if required as a condition of their issuance, shall be considered a violation of this Resolution and the Provider's Agreement.

- C) Neither the Franchising Authority nor the Provider shall be held in default under, or in noncompliance with, the provisions of this Resolution, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by circumstances reasonably beyond the ability of the Franchising Authority or Provider to anticipate and control. This provision includes work delays caused by waiting for utility providers to service or monitor their utility poles to which the Provider's System is attached, as well as unavailability of materials and/or qualified labor to perform the work necessary.**

Furthermore, the parties hereby agree that it is not the Commission's intention to subject a Provider to penalties, forfeitures or revocation of its Agreement for violations of the Agreement where the violation was a good faith error that resulted in no or minimal negative impact on the Subscribers within the Service Area, or where strict performance would result in practical difficulties and

hardship to the Provider which outweigh the benefit to be derived by the County and/or Subscribers.

- D) Both parties hereby reserve any constitutional or legal right which either party may have or may subsequently be determined to have, either by subsequent legislation or court decisions. Both parties acknowledge that each party reserves all of their respective rights under applicable Federal and State Constitutions and laws. Provider agrees to comply with any lawful action or applicable requirements of the Commission in the exercise of such rights and powers which either have been or shall be enacted or established subsequent to the granting of an Agreement.

11. Public and Community Benefits

- A) A Provider shall designate a sufficient amount of digital or video-on-demand ("VOD") capacity on its network to allow for the provision of a comparable number of one (1) public, channel for educational and, or governmental ("PEG") use, channel(s), or hours of programming, at the Commission's discretion, as further specified in any Agreement.
- B) Any programming made available under this Section shall be solely for noncommercial public, educational and governmental purposes and the content, production, and delivery of which shall be the sole responsibility of the Commission, Provider's only obligation shall be the provision of one (1) digital channel or VOD capacity.
- C) Upon written request by the Commission, a Provider agrees to discuss in good faith the interconnection of PEG channel(s) with an adjacent Cable System or Competitive Video Service System.
- D) A Provider shall comply with the FCC's Emergency Alert System (EAS) requirements, as amended, throughout the term of its Agreement.

12. Service to Public Schools and Public Buildings

Providers offering Service must, upon written request by the Commission, provide one free installation and free monthly Basic Cable Service to one outlet to each public elementary and secondary school, government administrative building, fire station, police station, and public library building that is passed by Providers' Cable System or Competitive Video Service System and is within 125 feet of Provider's distribution plant. Each such Provider shall have the responsibility to offer one free installation and one free monthly Basic Cable Service to such buildings.

13. Indemnification

A Provider shall indemnify, save harmless, and defend the Commission and all contractors, officers, and employees thereof from and against all claims, demands, causes of action, copyright action, liability, judgments, costs and expenses or losses for injury or death to persons or damage to property owned by, and Worker's Compensation claims against any parties indemnified herein, arising out of, caused by, or as a result of the Provider's construction, lines, cable, erection, maintenance, use or presence of, or removal of any poles, wires, conduit, appurtenances thereto, or equipment or attachments thereto.

14. Insurance

A Provider shall comply with the insurance requirements as provided for in its Franchise Agreement.

15. Assignment

- A) A Provider may not assign or transfer its Agreement or any interest therein, without the prior written consent of the Commission, which consent shall not be unreasonably withheld.
- B) A change in the actual working control of the Provider shall be considered a "transfer" and shall not take place without the prior written consent of the Commission.
- C) Notwithstanding anything to the contrary, no consent shall be required, however, for (1) a transfer of an agreement or any interest therein to an Affiliate or (2) a transfer in trust, by mortgage, hypothecation, or by assignment of any rights, title or interest of the Provider in the Agreement or the system in order to secure indebtedness.
- D) Any request for consent to a transfer of its Agreement or change in control of the Provider shall be handled by the Commission in accordance with Applicable Law.
- E) In the event of a transfer of an Agreement, the transferee or assignee must agree, in writing, to be bound by the terms of the Agreement subject to Applicable Law.

16. Effective Date.

This Resolution shall take effect on May 3, 2011.

17. Rescission; Effect on Existing Agreements

Resolution #98-56 and Resolution #2006-33 are hereby rescinded; provided, however, that neither this Resolution nor the adoption thereof shall limit, alter or otherwise affect in any manner any agreement or franchise executed prior to the adoption of this Resolution. It is the

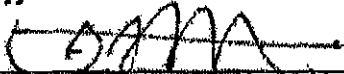

intent of the Commission that any and all Franchises or Agreements that existed prior to the adoption of this Resolution shall remain valid and enforceable in accordance with their terms.
