These specifications exhibit the general intent and purpose of Baldwin County regarding this bid; and they shall be so considered by the bidders. Accordingly, the bidder admits and agrees that said specifications are not complete in every detail. The bidder also agrees that the work and materials not indicated, or expressly mentioned in these specifications, but which are reasonably necessary for the full and faithful performance of the item(s) bid in accordance with the full and faithful intent, will be included in the bid and incorporated in the work the same as if fully and expressly indicated and specified.

The Bidders shall list on a separate sheet of paper any variations from, or exceptions to, the conditions and specifications of this bid. The exceptions shall be labeled "**EXCEPTION(S) TO BID CONDITIONS AND SPECIFICATIONS,**" and shall be attached to the front of the

bid inside the Bid Package. Additional features and/or capabilities not included in the specifications may be included in the bid.

To facilitate the bid evaluation and tabulation, bids should be submitted with specifications identified in the order in which they appear in this document. If applicable, the bidder will provide cost in two (2) categories:

- (1) Cost using material as specified.
- (2) Cost using material as specified of at least 25% recycled material, if available.

It is the intent of the Commission to award bids which include recycled material when not prohibitive in cost and when in compliance with all other terms and conditions of the Alabama Competitive Bid Law.

**IF THE TOTAL PROPOSED BID AMOUNT EXCEEDS \$10,000.00, A BID GUARANTEE OF AT LEAST 5% OF THE PROPOSED BID AMOUNT, NOT TO EXCEED \$10,000.00, WILL BE INCLUDED WITH THE BID.** Such bid guarantee shall be a bid bond (individual or annual, provided, that bonding is available for such services, equipment or materials), postal money order, certified check, cashier's check, Letter of Credit, or certain bonds or note of the United States. This is required by the Alabama Competitive Bid Law, Title 41, Chapter 16, **Code of Alabama 1975**, as amended; **no exceptions will be allowed.**

#### **SUBMITTING THE BID**

A copy of the financing agreement and all conditions must be included with the Bid Response Form. The bidder and the Financing Agency will be held to the requirements stated in the Invitation to Bid. Any assignment of the financing agreement must be approved by the financing agency and the County Commission. Failure to disclose the financing information and all conditions will disqualify the Bidder at the County's discretion.

Bidders that are returning a **NO BID** statement shall write on the outside of the Bid Package, the **Bid Number (i.e. WG16-06) with "NO BID"** written underneath. The Bid Package will not be opened in public, but it will be noted that the bidder did respond.

The Commission cannot guarantee that bids sent by mail or courier will be received on or before the bid opening day and time as required. Bids received after the deadline shall not be accepted and shall be returned.

All bids received must be in a sealed envelope plainly marked, **"WG16-06" "PROVISION OF TELECOMMUNICATION MATERIALS."** Bids submitted by "Express/Overnight" services must be in a separate inner envelope/package sealed and identified as stated in the previous sentence. Bidders and any other interested individuals are invited to attend the bid opening.

#### **BID AWARD**

The Baldwin County Commission, at its discretion, may offer an extension of the Contract awarded to the successful bidder for an additional period not to exceed twelve (12) months or until such time that a new contract can be bid and awarded. Any extension will be at the same prices, terms and conditions. Any extension must have the written approval of both the County and Awarded Bidder within sixty (60) days prior to the expiration of the original contract.

All factors stated in this invitation package will be considered in determining the successful bidder, and any omission(s) of the stated requirements may be cause for rejection of the bid (s), all as determined solely by the Baldwin County Commission.

The County Commission reserves the right to study bids as to their correctness and may award the bid within a thirty (30) day period but the County Commission reserves the right to extend the bid award for an additional thirty (30) days until an award decision can be made.

The Baldwin County Commission reserves the right to reject any and all bids, to waive any informality in bids, and to accept in whole or in part, such bid or bids, solely at its discretion.

### **TITLE 39/CODE OF AL COMPLIANCE**

As a condition of any Bid Award and the respective contract(s) pursuant thereto, the County places full reliance upon the fact that it is the sole responsibility of any contractor, person or entity entering into such a contract with Baldwin County for the prosecution of any public works, to ensure that they and/or any of their respective agents comply with all applicable provisions of Title 39-1-1 et seq. Code of AL 1975.

More specifically, any contractor, person or entity entering into such a contract with Baldwin County for the prosecution of any public works shall be in compliance with, and have full knowledge of, the following provisions of Title 39:

“(f) The Contractor shall, immediately after the completion of the contract give notice of the completion by an advertisement in a newspaper of general circulation published within the city or county in which the work has been done, for a period of four successive weeks. A final settlement shall not be made upon the contract until the expiration of 30 days after the completion of the notice. Proof of publication of the notice shall be made by the contractor to the authority by whom the contract was made by affidavit of the publisher and a printed copy of the notice published . . .” §39-1-1(f) Code of AL 1975.

“(g) Subsection (f) shall not apply to contractors performing contracts of less than fifty thousand (\$50,000) in amount. In such cases, the governing body of the contracting agency, to expedite final payment, shall cause notice of final completion of the contract to be published one time in a newspaper of general circulation, published in the county of the contracting agency and shall post notice of final completion on the agency’s bulletin board for one week, and shall require the contractor to certify under oath that all bills have been paid in full. Final settlement with the contractor may be made at any time after the notice has been posted for one entire week.” §39-1-1 (g) Code of AL 1975.

**NOTE: Any failure to fully comply with this section or any applicable laws of the State of Alabama shall be deemed a material breach of the terms of both the Bid Award and the respective contracts resulting there from. Furthermore, Baldwin County takes no responsibility for resulting delayed payments, penalties, or damages as a result of any failure to strictly comply with Alabama Law.**

Done this 17<sup>th</sup> day of November, 2015.

Baldwin County Commission

**BID #WG16-06 SPECIFICATIONS**

These specifications shall be construed as minimum. All integral parts not specifically mentioned in the scope of these specifications that are necessary to provide a complete working unit shall be furnished.

Bidder shall give a unit prices as indicated on the Bid Response Form. The price shall include all applicable charges, to include but not limited to delivery, etc.

**BID RESPONSE FORM:**

Each supplier should use the Response Form provided for their bid. Exceptions are to be attached to the back of the Response Form.

**CONTRACT PERIOD**

**It is the intent of the Baldwin County Commission to award this contract for a twelve (12) calendar month period. However, the Baldwin County Commission may, at their option and in agreement with the Successful Bidder, renew the contract for up to two (2) additional years (2016 and 2017), in twelve (12) month increments. The Baldwin County Commission will, in writing, notify the Contractor thirty (30) days prior to expiration of the 2015 contract with its intent to extend the contract. The prices for 2015 shall also apply to the extension period(s).**

**ADDITIONS TO CONTRACT**

The County may, subsequent to the award of the contract, allow the addition of new equipment, accessories, upgrades, etc., which are not duplications nor or equal to the awarded items. Additions may be made by written notification to the Baldwin County Commission Purchasing Department (Wanda Gautney) on the requested additions and with submission of the updated catalog. Vendor is not to market additions until receipt of approval by the Baldwin County Commission Purchasing Department.

**ALTERNATE OR EQUALS**

Alternate or equals will not be accepted.

**CANCELLATION CLAUSE**

Baldwin County reserves the right to terminate the contracts prior to the end of the period indicated upon thirty (30) day's written notice, for failure to meet required specifications. In the event of termination, **only** equipment purchased prior to the effective date of termination **that meets specifications and that has been received in full** shall be paid by Baldwin County.

**NON-APPROPRIATION OF FUNDS**

Continuation of any agreement between the County and a bidder beyond a fiscal year is contingent upon continued legislative appropriation of funds for the purpose of this bid and any resulting agreement. Non- availability of funds at any time shall cause any agreement to become void and unenforceable and no liquidation damages shall accrue to the County as a result. The County will not incur liability beyond the payment of accrued agreement payment.

**PRICE DECREASES**

The Purchasing Officer shall be notified immediately regarding any manufacturer's price decrease affecting a contract item. Furthermore, the County shall receive the benefit of the decrease as soon as possible in accordance with the written notification from the Award Bidder. If there is a contract extension, the prices must also remain firm except decreases.

## **SUBSTITUTIONS**

Substitutions will be allowed whenever the item being replaced is no longer in production and the new item is equal to or greater than it in function, and equal to or less than in price. The County will be notified in writing of any discontinuance of new production as early as possible. It is the vendor's responsibility to provide the County with documentation from the manufacturer stating that the item is being discontinued and what the replacement is. The County will determine the equivalency. The substituted item(s) shall inherit the bid terms of the item it is replacing (i.e. If an Item is bid at 10% below reference price, than the replacement item will also be priced at 10% below the new item's current reference price). In no cases will a substitution be accepted that does not comply with the bid terms of the item being replaced. The vendor will be required to provide substitutions of all items awarded for the period of the contract. The County reserves the right to refuse any item offered that is discontinued by the manufacturer, but may still be in the stock of the vendor or vendor's supplier. Changes to the contract will not be made during the last thirty (30) days of the contract period. Prior to publishing, the vendor must obtain the approval of the Purchasing Agent on the requested changes.

## **QUANTITY**

The exact quantity of purchases for each item on this solicitation is not known. The County Division of Purchasing does not guarantee that the County will buy any amount. Orders will be placed by agencies as needed and will give complete shipping Instructions. Minimum order amounts are not applicable to this bid.

## **PRIME CONTRACTOR RESPONSIBILITIES**

Vendor will assume responsibility for delivery and warranty service for all equipment, software, supplies, etc., regardless whether or not the vendor is the original manufacturer. The vendor will be the sole point of contact regarding contractual matters, including performance of services and the payment of any and all charges resulting from contract obligations. Any items offered in the ITB for which the vendor is not the OEM must be clearly identified. Vendor will be totally responsible for all obligations of each order.

## **PRODUCT OFFERINGS**

If a promotional package of contract(s) items is offered, the vendor should immediately present it to the County for consideration. A promotional offering which includes items not on contract(s) will be considered if the price is equal to or less than the sum of the contract(s) items prices. Product promotional packages may be considered if the package contains items only on contract(s) and are offered at a reduced price. The County will not file for rebate(s), therefore, the vendor must offer and bill the County at the new discounted price of the applicable offering. New products to any group awarded under the contract(s) will be added to the contract(s) only if the vendor follows the guidelines detailed under Additions to Contract (s).

Volume discounts will be allowed with the provision that any purchasing entity that purchases the equivalent volume be offered the same rate of discount.

## **AWARD**

**If it is beneficial, the bid may be awarded as a whole to one Vendor.** Vendor must bid all line items within a group to be considered for an award. The list of equipment on the attached sheets will be used as a "target bid". The prices submitted for the "target bid" will be used to make an award. Any item on the attached Bid Response Form that is not bid, other than that

item being discontinued, will cause rejection of that group. If a product is included in the target bid that has been discontinued since bid preparation, vendor must bid a comparable product.

It is the intent of the Commission to award to one (1) bidder.

### **DELIVERY TERMS**

All orders should be delivered as soon as possible, but not more than ten (10) days after receipt of order (ARO). Partial shipments are acceptable if authorized. Items will be delivered to the address on the Purchase Order. All freight charges must be paid by the vendor. **Inside delivery is required. Delivery shall be absolute.**

An agency has the right to refuse any shipment or partial shipment that does not conform to the specifications of their order. The agency may refuse payment until these conditions are corrected.

A Purchase order will be issued for the materials and quantities listed.
