## Board Information:

The Weeks Bay Advisory Committee (WBAC) was established during the initial stages of the Reserve designation. This Committee is composed of local and state representatives that provide a wide range of expertise operating under a set of established bylaws. Individuals serve to advise management on matters of operations at the Reserve and inform management of needs, concerns, and interests of citizens using the Reserve.

The Weeks Bay Advisory Committee is composed of eighteen members plus two non-voting Citizen Representatives. Baldwin County Commission appoints one Agency Representative, appointed by Baldwin County Commission Chairperson.
