

Baldwin County Commission

Request for Qualifications (RFQ) for Engineering/Environmental Services for the CR 39 and SR 59 Intersection Improvements

Overview:

The Baldwin County Commission, acting by and through the Highway Department, seeks qualifications from qualified engineering consultant firms for the design of the CR 39 and SR 59 Intersection Improvements.

CR 39 and SR 59 Intersection Improvement's principal purpose is to realign CR 39 from Pine Road to Styx River Road so that there is only one connection point with SR 59.

The consultant chosen will assist in survey, environmental assessment, geotechnical analysis, environmental permitting, design, utility relocation coordination, plan production, detour planning, and bidding assistance required to complete the project.

Requirements:

The successful firm chosen will have experience with environmental studies, hydraulic and hydrologic analysis, data collection and analysis, preliminary engineering, preliminary cost analysis and other tasks associated with similar type projects. The chosen firm must have Professional Engineer (P.E.) licensure, and proper business licensure, both in the State of Alabama, at the time of submittal.

Scope of Services:

The scope of services to be performed by the consultant firm shall include but not be limited to the following:

- Perform all work under the direction of the Baldwin County Highway Department.
- Attend any necessary meetings and make presentations at the request of the County.
- Provide a topographic survey to use in drainage analysis, design, right-of-way mapping, and plan preparation.
- Provide complete environmental findings and documentation for all permitting required for the project.
- Perform wetland delineations and impact information for County review and, subsequently, permit approval.
- Provide utility coordination of existing and proposed relocations during the design process.
- Provide a complete geotechnical analysis of existing and proposed requirements.
- Assist with bidding of the project.
- Provide detailed and timely schedules throughout the approved contract time-period.
- Provide advice, counsel, and make recommendations on miscellaneous projects and information that could have an impact on the proposed project.
- Provide any additional information the County may need in relation to the project.
- Provide one contact person to coordinate project information.

Period of Performance:

The firm selected shall be able to complete the following services outlined below within the time periods shown:

1. Project design, permitting, and assistance with bidding (+/- 18 months after notice to proceed)

Submittal of Qualifications:

Qualifications submitted in response to this RFQ must provide detailed information to show evidence of qualifications, experience, and expertise. Seven (7) hard copies of the RFQ are required. No emailed or faxed materials will be accepted. Please limit proposals to ten (10) pages, not including (1) a two-page maximum Letter of Transmittal, (2) Table of Contents and (3) up to fifteen (15) pages for Appendices. Cover page should include company point of contact information. The cover pages and RFQ Response Form do not count towards the page numbers.

Questions regarding this information shall be directed to Wanda Gautney, Baldwin County Purchasing Director at wgautney@baldwincountyal.gov Questions must be received no later than November 6, 2026, at 2:00 pm CST.

Qualifications should be sent to the address below on or before 2:00 pm CST November 13th, 2026.

Selection Process and Evaluation Criteria:

A committee consisting of Baldwin County Commission staff members will evaluate and rank the most qualified firms' written qualifications based on demonstrated competence and professional qualifications for performance of the services required.

The County Selection Committee will select the most qualified firm from the submitted qualifications. Upon selection of a consulting firm, a scope of work meeting will be conducted and a proposal for work will be required. The County reserves all rights in the selection of the firm of its choosing regarding this RFQ.

The County Commission will approve the most highly qualified firm and a contract with that firm to be negotiated by the Highway Department with a budgeted firm-fixed price amount. Contracts will be awarded to the responsible firm whose proposal is most advantageous to the County Commission. Upon completion of the contract and fee negotiations, the County

Commission executes the contract. The contract award will be subject to the timely completion of contract negotiations between the County and the selected Respondent.

The County reserves the right to reject all Statements, negotiate further with any entity submitting Statements, seek additional Statements, or waive any irregularities or informalities in the RFQ process.

Qualifications should contain information sufficient to enable the Selection Committee to properly evaluate the competence and qualifications of the consultant for achieving the project objectives. Qualifications will be evaluated based on the following criteria:

- Understanding of project objectives
- Qualifications of the personnel to be used on the project including project availability
- Proposed project approach
- Previous experience of the firm on similar projects (include firm's role in the projects)
- Location of where work will actually be accomplished
- Estimated time to perform the work including a timeline with major tasks/benchmarks

Qualifications will be scored as follows:

Criteria	Possible Points
Understanding of Project Objectives	10
Qualifications of Personnel and Availability	20
Proposed Project Approach	30
Previous Experience	25
Location of Work	5
Estimated Timeline	10
Total	100
