The County Commission reserves the right to study bids as to their correctness and may award the bid within a thirty (30) day period but the County Commission reserves the right to extend the bid award for an additional thirty (30) days until an award decision can be made.

TITLE 39/CODE OF AL COMPLIANCE

As a condition of any Bid Award and the respective contract(s) pursuant thereto, the County places full reliance upon the fact that it is the sole responsibility of any contractor, person or entity entering into such a contract with Baldwin County for the prosecution of any public works, to ensure that they and/or any of their respective agents comply with all applicable provisions of Title 39-1-1 et seq. “(f) The Contractor shall, immediately after the completion of the contract give notice of the completion by an advertisement in a newspaper of general circulation published within the city or county in which the work has been done, for a period of four successive weeks. A final settlement shall not be made upon the contract until the

expiration of 30 days after the completion of the notice. Proof of publication of the notice shall be made by the contractor to the authority by whom the contract was made by affidavit of the publisher and a printed copy of the notice published . . .” §39-1-1(f) Code of AL 1975.

“(g) Subsection (f) shall not apply to contractors performing contracts of less than fifty thousand (\$50,000) in amount. In such cases, the governing body of the contracting agency, to expedite final payment, shall cause notice of final completion of the contract to be published one time in a newspaper of general circulation, published in the county of the contracting agency and shall post notice of final completion on the agency’s bulletin board for one week, and shall require the contractor to certify under oath that all bills have been paid in full. Final settlement with the contractor may be made at any time after the notice has been posted for one entire week.” §39-1-1(g) Code of AL 1975.

NOTE: Any failure to fully comply with this section or any applicable laws of the State of Alabama shall be deemed a material breach of the terms of both the Bid Award and the respective contracts resulting there from. BID #WG20-18 SPECIFICATIONS

These specifications shall be construed as minimum. All integral parts not specifically mentioned in the scope of these specifications that are necessary to provide a complete working unit shall be furnished.

Bidder shall give a unit prices as indicated on the Bid Response Form. The price shall include all applicable charges, to include but not limited to delivery, etc.

BID RESPONSE FORM:

Each supplier should use the Response Form provided for their bid. Exceptions are to be attached to the back of the Response Form.

CONTRACT PERIOD

It is the intent of the Baldwin County Commission to award this contract for a twelve (12) calendar month period. However, the Baldwin County Commission may, at their option and in agreement with the Successful Bidder, renew the contract for up to two (2) additional years (2021 and 2022), in twelve (12) month increments. The Baldwin County Commission will, in writing, notify the Contractor thirty (30) days prior to expiration of the 2020 contract with its intent to extend the contract. The prices for 2020 shall also apply to the extension period(s).

ADDITIONS TO CONTRACT

The County may, subsequent to the award of the contract, allow the addition of new equipment, accessories, upgrades, etc., which are not duplications nor are equal to the awarded items. Additions may be made by written notification to the Baldwin County Commission Purchasing Department (Wanda Gautney) on the requested additions and with submission of the updated catalog. Vendor is not to market additions until receipt of approval by the Baldwin County Commission Purchasing Department.

ALTERNATE OR EQUALS

Alternate or equals will not be accepted.

CANCELLATION CLAUSE

Baldwin County reserves the right to terminate the contracts prior to the end of the period indicated upon thirty (30) day's written notice, for failure to meet required specifications. In the event of termination, **only** equipment purchased prior to the effective date of termination **that meets specifications and that has been received in full** shall be paid by Baldwin County.

NON-APPROPRIATION OF FUNDS

Continuation of any agreement between the County and a bidder beyond a fiscal year is contingent upon continued legislative appropriation of funds for the purpose of this bid and any resulting agreement. Non-availability of funds at any time shall cause any agreement to become void and unenforceable and no liquidation damages shall accrue to the County as a result. The County will not incur liability beyond the payment of accrued agreement payment.

PRICE DECREASES

The Purchasing Officer shall be notified immediately regarding any manufacturer's price decrease affecting a contract item. Furthermore, the County shall receive the benefit of the decrease as soon as possible in accordance with the written notification from the Award Bidder. If there is a contract extension, the prices must also remain firm except decreases.

SUBSTITUTIONS

Substitutions will be allowed whenever the item being replaced is no longer in production and the new item is equal to or greater than it in function, and equal to or less than in price. The County will be notified in writing of any discontinuance of new production as early as possible. It is the vendor's responsibility to provide the County with documentation from the manufacturer stating that the item is being discontinued and what the replacement is. The County will determine the equivalency. The substituted item(s) shall inherit the bid terms of the item it is replacing (i.e. If an Item is bid at 10% below reference price, than the replacement item will also be priced at 10% below the new item's current reference price). In no cases will a substitution be accepted that does not comply with the bid terms of the item being replaced. The vendor will be required to provide substitutions of all items awarded for the period of the contract. The County reserves the right to refuse any item offered that is discontinued by the manufacturer, but may still be in the stock of the vendor or vendor's supplier. Changes to the contract will not be made during the last thirty (30) days of the contract period. Prior to publishing, the vendor must obtain the approval of the Purchasing Agent on the requested changes.

QUANTITY

The exact quantity of purchases for each item on this solicitation is not known. The County Division of Purchasing does not guarantee that the County will buy any amount. Orders will be placed by agencies as needed and will give complete shipping Instructions. Minimum order amounts are not applicable to this bid.

PRIME CONTRACTOR RESPONSIBILITIES

Vendor will assume responsibility for delivery and warranty service for all equipment, software, supplies, etc., regardless whether or not the vendor is the original manufacturer. The vendor will be the sole point of contact regarding contractual matters, including performance of services and the payment of any and all charges resulting from contract obligations. Any items offered in the ITB for which the vendor is not the OEM must be clearly identified. Vendor will be totally responsible for all obligations of each order.

PRODUCT OFFERINGS

If a promotional package of contract(s) items is offered, the vendor should immediately present it to the County for consideration. A promotional offering which includes items not on contract(s) will be considered if the price is equal to or less than the sum of the contract(s) items prices. Product promotional packages may be considered if the package contains items only on contract(s) and are offered at a reduced price. The County will not file for rebate(s), therefore, the vendor must offer and bill the County at the new discounted price of the applicable offering. New products to any group awarded under the contract(s) will be added to the contract(s) only if the vendor follows the guidelines detailed under Additions to Contract (s). Volume discounts

will be allowed with the provision that any purchasing entity that purchases the equivalent volume be offered the same rate of discount.

AWARD

It is the intent of the Commission to award this bid to one (1) bidder. Vendor must bid all line items within a group to be considered for an award. The list of equipment on the attached sheets will be used as a "target bid". The prices submitted for the "target bid" will be used to make an award. Any item on the attached Bid Response Form that is not bid, other than that item being discontinued, will cause rejection of that group. If a product is included in the target bid that has been discontinued since bid preparation, vendor must bid a comparable product.

DELIVERY TERMS

All orders should be delivered as soon as possible, but not more than ten (10) days after receipt of order (ARO). Partial shipments are acceptable if authorized. Items will be delivered to the address on the Purchase Order. All freight charges must be paid by the vendor. **Inside delivery is required. Delivery shall be absolute.**

An agency has the right to refuse any shipment or partial shipment that does not conform to the specifications of their order. The agency may refuse payment until these conditions are corrected.

A Purchase order will be issued for the materials and quantities listed.
