**BE IT FURTHER RESOLVED**, that the Fiscal Year 2025 mileage rate will reflect the IRS rate; and

**BE IT FURTHER RESOLVED**, that the Baldwin County Fiscal Year 2025 Budget document which will be issued by the Budget Director is to reflect the budgetary decisions made by the Baldwin County Commission during budget work session deliberations and shall be used as a guide in administering the appropriations made in this resolution; and

**BE IT FURTHER RESOLVED**, that the following financial management policies are hereby adopted as permanent policies of the Baldwin County Commission:

***Supplemental Appropriation Procedure***

Each Commission Action Form to approve a contract, capital purchase, or other expenditure shall include a certification by the Budget Director or her designee naming the appropriation account from which the purchase will be made and stating that the unencumbered funds are available in the account. All unbudgeted items must have a proposed source of funds, either a new revenue source or from a contingency account.

***Consideration of Unfunded Budgetary Requests from outside agencies after adoption of Annual Fiscal Year Budget***

No outside agency unfunded budget requests shall be considered for funding until the next fiscal year. Further, all these types of requests shall be screened by the Finance and Taxation Commissioner to ensure that they are closely aligned to Baldwin County's fiscal objectives.

***Budget Administration Procedures***

The Purchasing Manager, at the request of a Department Head, may let for bid any routine annual purchase or any equipment purchase or contract which is specifically provided for in the budget document. All contracts must be approved by the Baldwin County Commission before they are executed and all expenditures must comply with Purchasing Policy #3.7. The Baldwin County Commission's expense items are classified in three broad categories: Compensation, Operating and Capital. The compensation and capital categories are supported by detailed lists of employees and approved capital items. The operating category contains many and varied line items. For budgetary control, this operating category will be treated as a total although each department has a detailed line item budget. County staff members are prohibited from expending or encumbering any funds in these broad categories which exceed budgeted funds. The Budget Director or her designee may make transfers between "operating" line items within a Department's budget at the request of a Department Head. Transfers between the compensation, operating and capital categories require Baldwin County Commission approval.

DONE, Under the Seal of Baldwin County, Alabama, as affixed on this the 17th day of September, 2024.
