AFFIDAVIT

Abstracter quotes the following from an affidavit on file in the office of the Probate Judge of this County, in Record of Deeds 27NS pages 203-204, which affidavit was filed for record September 22, 1925, and was made by J Blocker Thornton and sworn to before Mell A Frazer NP Mobile Co Ala.

Only such portions of the affidavit as will be of value as information are quoted and it is understood that the affidavit as originally prepared refers to lands other than those now in question.

"deposes and says under oath that he was personally acquainted with S M Pickler and Grant Grebs during the years 1905 to about 1911 that they both then claimed to be residents of Kansas City, Missouri, that during these years they were actively engaged in buying up property at tax sales from the State and County as a holding investment; that during said period they had as their agent one Hoffman Fitzpatrick, now deceased, of Mobile, Alabama, who represented them here in settlement and adjustment of their tax claims or holdings, that affiant had much business with these gentlemen in adjusting tax matters for clients, and that he knows of his own knowledge that said parties never occupied (here describes lands not those now in question) as a homestead or resided thereon.

Affiant further avers that many years ago he met John B Foley of Chicago, who was actively engaged in purchasing and developing lands in the Southern part of Baldwin County and also the purchase of lands at Tax sales for investment; that during the winter months he sojourned temporarily or visited his properties in the Southern part of Baldwin County but at no time has he ever resided on the (here sets out description of lands not now in question) nor in the State of Alabama.

Affiant further avers that he never knew Emil J Bihler personally, but knew him by reputation prior to his death, which occurred about 1912, that he was reported to affiant by tax assessor and Tax collector of Baldwin County that the said Emil J Bihler died in Chicago Ill., about 1912 and that he nor his agents or assigns have never assessed or made claim through tax records of any properties in Baldwin County since said date"

frl. SE $\frac{1}{4}$, 3.00 acres.

T. 1 N., R. 4 E., sec. 14, NW $\frac{1}{4}$ SE $\frac{1}{4}$.

T. 2 S., R. 5 E., frl. sec. 30, 7.05 acres.

T. 3 S., R. 5 E., sec. 5, frl. NW $\frac{1}{4}$, 47.00 acres,

Homestead entries may be made as explained in enclosed Bulletin No. 3.

It is suggested that you examine the above-described lands and if, in your opinion, any of them appears to be agricultural in character ^{and} suitable for your purpose, forms and instructions for filing homestead application will then be furnished upon further request. Only contiguous tracts may be included in a homestead application.

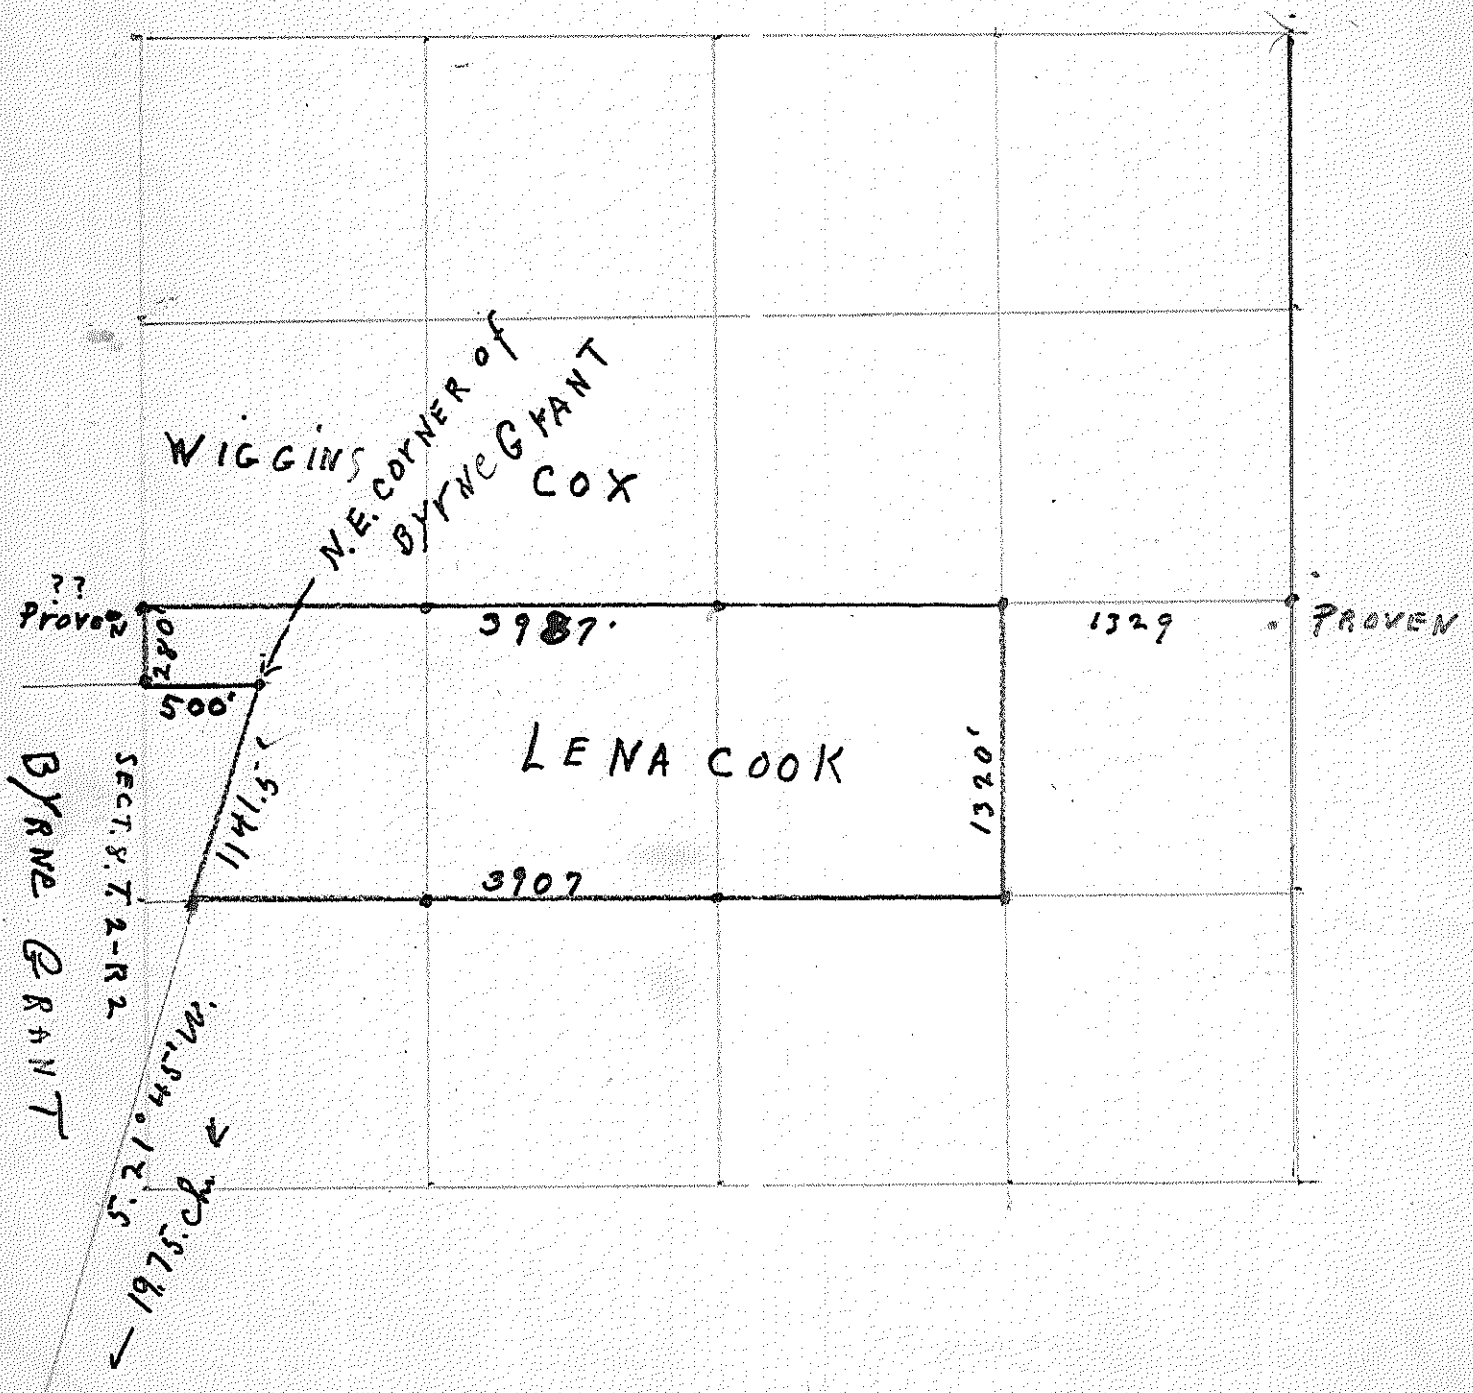

Very truly yours,

Dear Herman;

Attached is the proper description of your land to use on any deeds or such papers and the description I have lined in red is about what the Tax Assessor will want.

I find that I made a mistake when we set the wagon axle 100 feet South. I forgot about having lost a pin so we put it too far South and you must put it back where it was for that was right. You see, I forgot about having only nine pins and I counted them as ten.
