A P P E A R A N C E:

For the Plaintiff: Messrs. Thompson & White,
Bay Minette, Alabama.

For the Defendant: Messrs. Wilters, Brantley & Nesbit,
Bay Minette, Alabama.

HON. TELFAIR J. MASHBURN, Judge
28th JUDICIAL CIRCUIT, Presiding.

MR. JOHN MORROW, A WITNESS FOR THE PLAINTIFF, BEING FIRST DULY
SWORN, TESTIFIED AS FOLLOWS:

Examination by Mr. Thompson.

Q. State your name for the record?

A. John Morrow.

Q. By whom are you employed?

A. Atlas Finance Company.

Q. Mr. Morrow, I hand you the complaint in the case against
Doctor D. K. Cooper. Will you examine the description of
the automobile described in that complaint?

A. Yes sir.

Q. Will you examine the description of the automobile contained
in the mortgage form?

A. Yes sir.

Q. Is the identification of the automobile the same? - - - Is it the same automobile described in both instruments?

A. Yes sir.

Q. Lincoln, 1959 MR 4 Fordor H9YC426711?

A. Yes sir.

Q. Is that mortgage signed by Doctor Cooper?

A. No sir.

Q. Is - - Who is it signed by?

A. Ferrell Benson.

MR. THOMPSON: I offer in evidence chattel mortgage dated July 30, 1962, covering the automobile described in the complaint, of record in the office of the Probate Judge of Mobile County, Alabama, in Mortgage Book 178 at page 370, date of recording being August 1, 1962.

THE COURT: When does it say it was filed for record?

MR. THOMPSON: It is dated July 30th. and filed for record on August 1.

Q. Now Mr. Morrow, did you have occasion - - - Did Atlas Finance Company, have occasion to attach that automobile in Baldwin County, Alabama?

A. Yes sir.

Q. They found it in the possession of Doctor D. K. Cooper?

A. Yes sir.

Q. Examine that mortgage - - - Do you have a knowledge of whether or not that mortgage has been paid?

A. Yes.

Q. Has it been paid?

A. No sir.

Q. All right - - - Looking at the year model of the automobile, do you - - - First, do you have, or have you had any experience in the selling of automobiles?

A. Yes sir.

Q. And lending money on automobiles?

A. Yes.

Q. As a basis of that experience, do you know the reasonable market value of this automobile?

MR. BRANTLEY: We object, unless he qualifies him further. He might not have seen the automobile since it was sold.

THE COURT: Sustain the objection.

Q. Referring to the date of May 30 1963, Mr. Morrow, the date the suit was filed on this automobile, do you have a knowledge whereby you can testify as to the reasonable market value of a 1959 Lincoln, fordor sedan such as this automobile would be as an average automobile - - -

MR. BRANTLEY: We object to that; we are trying to determine the value of a specific automobile. I don't believe he can do that.

THE COURT: You ought to ask him as to his knowledge of this particular automobile, or his opinion.

MR. THOMPSON: May I ask him one other question on this?

THE COURT: Yes.

Q. Mr. Morrow, in lending money on automobiles does your Company have an average base value for the model of the automobile with the base raised or lowered according to the condition of the automobile?

A

A. Yes sir.

Q. Now on the bases of the average 1959 Lincoln automobile, are you able to state the reasonable ;market value of the average 1959, fordor lincoln, and then I will go further

THE COURT: - - - I don't believe that is the way to prove this thing, Mr. Thompson. I think that you are trying to prove the value of a specific automobile and that is what your question should be directed do. - - - What my car would be worth - - - This car might not be average; if he has knowledge of this automobile, let him tell about it.

Q. Have you seen the particular automobile that Doctor Cooper has possession of that is the subject of this suit?

A. Yes sir.

Q. In your opinion, having seen that automobile, can you testify as to the reasonable market value of that automobile at or about the time of May 30, 1963, at the time the suit was filed?

MR. BRANTLEY: Object; it is irrelevant at that time.

THE COURT: Overrule the objection.

MR. BRANTLEY: I withdraw the objection. Let me see if I understand the question to him clearly - - - If he saw it at one time and fixed a value at another - - -

THE COURT: He hasd to have a knowledge - if he saw it today and attempted to testify as to what it was worth in 1953, that is not relevant.

MR. THOMPSON: We have to prove the value as of May 30th?

THE COURT: That is right, and he would have had to see it at that time. I don't believe he could testify what it was worth then if he didn't see it.

Q. When the car was missing from Mobile did you make an investigation?

A. Yes sir.

Q. Did you find the car?

A. Yes sir.

Q. Was that automobile found at the time or prior to the time that the suit was filed?

A. It was prior to the time the suit was filed.

Q. Now renewing my question--

THE COURT: - - - Rephrase it.

Q. On the basis of having seen the car on or about May 30th. or shortly prior to that date, are you able to form an opinion as to the reasonable market value of the automobile as of that date?

MR. BRANTLEY: Object unless he puts a time in there.

THE COURT: He may have saved it when he says, if he was able to form an opinion as of that date. I overrule the objection.

MR. BRANTLEY: We except.

A. At the time I saw the car?

Q. Yes.

THE COURT: When was it that you saw the automobile?

WITNESS: I don't know the exact date.

THE COURT: With relation to May 30th, was it a month or two months before?

A. Two or three weeks before May 30th.

THE COURT: I may be wrong, but I am going to let him go ahead and answer the question.

Q. In your opinion, what was the reasonable market value of that automobile?

A. Between \$1150.00 and \$1200.00.

Q. Now Mr. Morrow, do you have a knowledge of the reasonable value of the hire or use of the car during the detention thereof from May 30th, 1962 until now?

A. Probably depreciated - - -

MR. BRANTLEY: We object.

MR. THOMPSON: Just the value of the hire or detention?

A. You mean what I think it is worth now?

Q. No sir; the value - - - Do you have an opinion as to the value of the hire or use of the car for hire or the detention of the car by Doctor Cooper from May 30, 1963 until today?

A. No sir I don't.

ON CROSS EXAMINATION OF THIS WITNESS, HE TESTIFIED:

Examination by Mr. Brantley.

Q. Mr. Morrow, did you get in this car and drive it when you saw it over here?

A. No sir.

Q. Did you examine it in any way?

A. Yes sir, I looked at it. (page 6)

Q. What did you do, specifically?

A. Well, the car was parked behind - I assume it was Doctor Cooper's office, and Mr. Phillips pointed it out - that was the Lincoln, and I walked over and looked at it.

Q. What did you do, just walked over and looked at it?

A. Yes sir.

Q. Did you get in it and drive it?

A. No sir.

Q. Do you deal with automobiles quite often?

A. Yes sir.

Q. Determine the value of them?

A. Yes sir.

Q. Do you ever fix the value of an automobile that you are going to finance without cranking it to see if it would run?

A. Yes sir.

Q. Would this car be worth \$1150.00 to \$1200.00 if it would not start at the time you looked at it?

A. No sir.

Q. If the transmission was shot?

A. No sir.

Q. You don't know whether it was shot or not?

A. No sir.

Q. You don't know whether the motor was still in it?

A. No sir.

Q. You don't know what it was worth?

A. Judging from the outward appearance, that is what it was worth.

Q. Let me ask you this: This note which we just saw here, was that ever recorded by your company in Baldwin County?

A. No sir.

Q. It has not been recorded until now, has it?

A. No sir.

ON RE-DIRECT EXAMINATION OF THIS WITNESS, HE TESTIFIED:

Examination by Mr. Thompson.

Q. Did you know Mr. F. L. or Ferrell Benson?

A. Yes sir.

Q. Did you know where he lived?

Examination by Mr. Brantley.

Q. You all financed several cars that Mr. Benson handled?

A. Yes sir; we sold him a lot of them.

Q. Was this a sale to Mr. Benson or did you finance the car?

A. It was just a loan on the car; that was his personal car.

Q. He owned the car and you all loaned him money on it?

A. Yes sir.
