Re: Writ on Judgment
Farmers & Merchants Bank

Dear Mr. Baker:

Title 7, Section 630, provides that seventy-five per cent of a laborers wages are exempt from garnishment and that the Garnishee which is you, "shall retain twenty-five per cent of the wages, salaries, or other compensation of the laborer or employee during such period of time as is necessary to accumulate a sum equal to the amount shown as due by the Court on the writ."

Since we know that this will take quite some time, I think that you should collect the \$336.70 and after that the Court will be able to inform you as to the additional Court costs involved.

Cordially yours,

FOREST A. CHRISTIAN
