

PARCEL No. 1: A temporary easement to a strip of land necessary for the disposal of unsatisfactory material and being more fully described as follows: Beginning at a point that is 130 feet southeasterly of and at right angles to the centerline of Project No. I-65-1(28) at Station 994+00; thence northeasterly along a curve to the left (concave northeasterly) having a radius of 23,888.32 feet, parallel to the centerline of said Project, a distance of 1,115 feet, more or less, to a point that is 130 feet southeasterly of and at right angles to the centerline of said Project at Station 1007+00; thence turn an angle of 90° 00' to the right and run a distance of 30 feet; thence southeasterly along a curve to the right (concave northeasterly) having a radius of 23,118.32 feet, parallel to the centerline of said Project, a distance of 1,115 feet, more or less, to a point that is 230 feet southeasterly of and at right angles to the centerline of said Project at Station 994+00; thence turn an angle of 90° 00' to the right and run a distance of 30 feet to the point of beginning.

Said strip of land lying in the NE $\frac{1}{4}$ of Section 12, T-1-S, R-1-E and containing 1.86 acres, more or less.

It being understood and agreed that upon completion of said Project all rights granted herein for temporary easement shall cease and terminate.

PARCEL No. 2: A temporary easement to a strip of land necessary for the disposal of silt and being more fully described as follows: Beginning at a point that is 225 feet northeasterly of and at right angles to the centerline of Project No. I-65-1(28) at Station 1010+00; thence northeasterly along a curve to the left (concave northeasterly) having a radius of 22,693.32 feet, parallel to the centerline of said Project, a distance of 495 feet, more or less, to a point that is 225 feet northeasterly of and at right angles to the centerline of said Project at Station 1013+00; thence turn an angle of 90° 00' to the right and run a distance of 75 feet; thence southeasterly along a curve to the right (concave northeasterly) having a radius of 22,768.32 feet, parallel to the centerline of said Project, a distance of 495 feet, more or less, to a point that is 130 feet northeasterly of and at right angles to the centerline of said Project at Station 1020+00; thence turn an angle of 90° 00' to the right and run a distance of 75 feet to the point of beginning.

Said strip of land lying in the NE $\frac{1}{4}$ of Section 12, T-1-S, R-1-E and containing 0.85 acres, more or less.

It being understood and agreed that upon completion of said Project all rights granted herein shall cease and terminate.

PARCEL No. 3: A temporary easement to a strip of land necessary for the disposal of silt and being more fully described as follows: Beginning at a point that is 130 feet southeasterly of and at right angles to the centerline of Project No. I-65-1(28) at Station 1020+00; thence northeasterly along a curve to the left (concave northeasterly) having a radius of 23,888.32 feet, parallel to the centerline of said Project, a distance of 705 feet, more or less, to a point that is 130 feet southeasterly of and at right angles to the centerline of said Project at Station 1013+00; thence turn an angle of 90° 00' to the right and run a distance of 75 feet; thence southeasterly along a curve to the right (concave northeasterly) having a radius of 23,118.32 feet, parallel to the centerline of said Project, a distance of 710 feet, more or less, to a point that is 225 feet southeasterly of and at right angles to the centerline of said Project at Station 1020+00; thence turn an angle of 90° 00' to the right and run a distance of 75 feet, to the point of beginning.

Said strip of land lying in the NE $\frac{1}{4}$ of Section 12, T-1-S, R-1-E and containing 0.87 acres, more or less.

It being understood and agreed that upon completion of said Project all rights granted herein shall cease and terminate.

PARCEL NO. 10: A temporary easement to a strip of land necessary for the disposal of silt and being more fully described as follows: Beginning at a point that is 150 feet southeasterly of and at right angles to the centerline of Project No. I-65-1(20) at Station 963+00; thence N 60° 31' E, parallel to the centerline of said Project, a distance of 225 feet; thence turn an angle of 90° 00' to the right and run a distance of 95 feet, more or less, to the present northwest line of an 80 foot easement of the Alabama Power Company; thence southwesterly along the said northwest line a distance of 225 feet, more or less, to a point that is southeasterly of and at right angles to the centerline of said Project at Station 963+00; thence northwesterly along a straight line a distance of 95 feet, more or less, to the point of beginning.

Said strip of land lying in the NW $\frac{1}{4}$ of Section 12, T-1-S, R-3-E and containing 0.48 acres, more or less.

It being understood and agreed that upon completion of said Project all rights granted herein shall cease and terminate.

PARCEL NO. 11: A temporary easement to a strip of land necessary for the disposal of silt and being more fully described as follows: Beginning at a point that is 150 feet southeasterly of and at right angles to the centerline of Project No. I-65-1(20) at Station 976+00; thence N 60° 31' E, parallel to the centerline of said Project, a distance of 675 feet; thence turn an angle of 90° 00' to the right and run a distance of 82 feet to the northwest line of a 100 foot easement of the Alabama Power Company; thence southwesterly along said northwest line a distance of 675 feet, more or less, to a point that is southeasterly of and at right angles to the centerline of said Project at Station 976+00; thence northwesterly along a straight line a distance of 82 feet, more or less, to the point of beginning.

Said strip of land lying in the SW $\frac{1}{4}$ of Section 12, T-1-S, R-3-E and containing 1.25 acres, more or less.

It being understood and agreed that upon completion of said Project all rights granted herein shall cease and terminate.

PARCEL NO. 12: An easement to a strip of land necessary for the construction and maintenance of a drainage ditch and being more fully described as follows: Commencing at the southwest corner of Section 12, T-1-S, R-3-E; thence S 0° 23' W along the west line of said Section 12, the west property line, a distance of 1,080 feet, more or less, to Station 999+00 on the centerline of Project No. I-65-1(20); thence N 60° 31' E, along the centerline of said Project a distance of 995 feet; thence turn an angle of 90° 00' to the right and run a distance of 150 feet to the point of beginning; thence N 60° 31' E, parallel to the centerline of said Project, a distance of 90 feet; thence turn an angle of 90° 00' to the right and run a distance of 150 feet; thence S 60° 31' W, parallel to the centerline of said Project a distance of 90 feet; thence turn an angle of 90° 00' to the right and run a distance of 150 feet to the point of beginning.

Said strip of land lying in the SW $\frac{1}{4}$ of Section 12, T-1-S, R-3-E and containing 0.17 acres, more or less.

PARCEL NO. 13: An easement to a strip of land necessary for the construction and maintenance of a drainage ditch and being more fully described as follows: Commencing at the southwest corner of Section 12, T-1-S, R-3-E; thence S 0° 23' W along the west line of said Section 12, the west property line, a distance of 1,080 feet, more or less, to Station 999+00 on the centerline of Project No. I-65-1(20); thence N 60° 31' E, along the centerline of said Project, a distance of 2,353 feet; thence turn an angle of 90° 00' to the right and run a distance of 150 feet to the point of beginning; thence N 60° 31' E, parallel to the centerline of said Project, a distance of 125 feet; thence turn an angle of

and as shown on the right of way map of Project No. I-65-1(25) as recorded in the Office of the Judge of Probate of Baldwin County:

PARCELS No. 1: Commencing at the southwest corner of Section 33, T-1-N, R-1-E; thence S 0° 18' W along the west line of said Section, the west property line, a distance of 1,800 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of the northbound lane of Project No. I-65-1(25) and the point of beginning; thence continuing S 0° 18' W along the said west property line a distance of 45 feet, more or less, to the northwest corner of SW $\frac{1}{4}$ of SW $\frac{1}{4}$ of said Section 33; thence S 88° 11' E along the north line of said SW $\frac{1}{4}$ of SW $\frac{1}{4}$, the north property line a distance of 59 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of said northbound lane; thence southeasterly along a curve to the left (concave southeasterly) having a radius of 57,120.76 feet, parallel to the centerline of said northbound lane a distance of 80 feet, more or less, to the point of beginning.

Said strip of land lying in the SW $\frac{1}{4}$ of SW $\frac{1}{4}$ of Section 33, T-1-N, R-1-E and containing 0.03 acres, more or less.

As a part of the consideration hereinabove stated there is also bargained, sold, conveyed and relinquished to the grantee all existing, future, or potential common law or statutory rights of access between the right of way of the public way identified as Project No. I-65-1(25), County of Baldwin, and all of the grantor's remaining real property consisting of all parcels contiguous one to another, whether acquired by separate conveyances or otherwise, all of which parcels either adjoin the real property conveyed by this instrument or are connected thereto by other parcels owned by the grantor.

PARCELS No. 2: Commencing at the northwest corner of NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 33, T-1-N, R-1-E; thence S 87° 40' E along the north line of said NE $\frac{1}{4}$ of NE $\frac{1}{4}$, the north property line, a distance of 415 feet, more or less, to a point on a line which extends from a point that is 380 feet northeasterly of and at right angles to the centerline of the northbound lane of Project No. I-65-1(25) at Station 1206+42 to a point that is 368 feet northeasterly of and at right angles to the centerline of said northbound lane at Station 1207+00 and the point of beginning; thence continuing S 87° 40' E along the said north property

line (crossing the centerline of said northbound lane at Station 1219+12) a distance of 935 feet, more or less, to the northeast corner of said Section 35; thence S 0° 04' E, along the east line of said Section 35, the east property line, a distance of 85 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of said northbound lane; thence southeasterly along a curve to the right (concave northeasterly) having a radius of 85,000.07 feet, parallel to the centerline of said northbound lane, a distance of 1,000 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of said Project at Station 1206+66.04; thence S 35° 00' W, parallel to the centerline of said northbound lane a distance of 390 feet, more or less, to the west line of E.E.½ of E.E.½ of Section 35, T-1-N, R-4-E, the west property line; thence S 0° 1' E along said west property line (crossing the centerline of said northbound lane at Station 1206+66) a distance of 85 feet, more or less, to a point on a line which extends from a point that is 300 feet northeasterly of and at right angles to the centerline of said northbound lane at Station 1226+42 to a point that is 305 feet northeasterly of and at right angles to the centerline of said northbound lane at Station 1227+00; thence S 98° 34' E along said line (which if extended would intersect the said point that is 305 feet northeasterly of and at right angles to the centerline of said northbound lane at Station 1227+00) a distance of 405 feet, more or less, to the point of beginning.

Said strip of land lying in the NE¼ of NE¼ of Section 35, T-1-N, R-4-E and containing 17.42 acres, more or less.

As a part of the consideration hereinabove stated there is also bargained, sold, conveyed and relinquished to the grantee all existing, future, or potential common law or statutory rights of access between the right of way of the public way identified as Project No. 1-65-1(28), County of Baldwin, and all of the grantor's remaining real property consisting of all parcels contiguous one to another, whether acquired by separate conveyances or otherwise, all of which parcels either adjoin the real property conveyed by this instrument or are connected thereto by other parcels owned by the grantor.

EXHIBIT B: A temporary easement to a strip of land necessary for the disposal of manure and being more fully described as follows: Beginning at a point on the north line of NE¼ of NE¼ of Section 35, T-1-N, R-4-E, the north property line, that is 125 feet southeasterly of and at right angles to the centerline of the northbound lane of Project No. 1-65-1(28); thence S 88° 11' E along the said north property line a distance of 160 feet, more or less, to a point that is 225 feet southeasterly of and at right angles to the centerline of said northbound lane; thence southeasterly along a curve to the left (concave southeasterly) having a radius of 37,070.78 feet, parallel to the centerline of said northbound lane, a distance of 220 feet, more or less, to a point that is 225 feet southeasterly of and at right angles to the centerline of said northbound lane at Station 1130+76; thence northerly along a straight line a distance of 125 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of said northbound lane; thence northeasterly along a curve to the right (concave southeasterly) having a radius of 37,170.78 feet, parallel to the centerline of said northbound lane a distance of 12 feet, more or less, to the point of beginning.

Said strip of land lying in the NE¼ of NE¼ of Section 35, T-1-N, R-4-E and containing 0.23 acres, more or less.

It being understood and agreed that upon completion of said Project all rights granted herein for temporary easement shall cease and terminate.

PARCEL NO. 4: A temporary easement to a strip of land necessary for the disposal of rock and being more fully described as follows: Beginning at a point where the north line of Section 33, T-1-N, R-4-E, the north property line, intersects a line which extends from a point that is 365 feet northwesterly of and at right angles to the centerline of the northbound lane of Project No. 1-65-1(25) at Station 1287+00 to a point that is 500 feet northwesterly of and at right angles to the centerline of said northbound lane at Station 1286+42; thence S 98° 34' W along said line (which if extended would intersect the said point that is 500 feet northwesterly of and at right angles to the centerline of said Project at Station 1286+42) a distance of 265 feet; thence northwesterly along a straight line a distance of 120 feet; thence N 78° 34' E along a straight line a distance of 125 feet, more or less, to the north line of said Section 33, the north property line; thence S 87° 49' E along said north property line a distance of 120 feet, more or less, to the point of beginning.

Said strip of land lying in the NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 33, T-1-N, R-4-E and containing 0.44 acres, more or less.

It being understood and agreed that upon completion of said Project all rights granted herein for temporary easement shall cease and terminate.

PARCEL NO. 5: A temporary easement to a strip of land necessary for the disposal of rock and being more fully described as follows: Beginning at a point that is 125 feet southeasterly of and at right angles to the centerline of the northbound lane of Project No. 1-65-1(25) at Station 1286+00; thence northwesterly along a curve to the left (concave northwesterly) having a radius of 86,048.67 feet, parallel to the centerline of said northbound lane, a distance of 805 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of said northbound lane at Station 1286+07; thence southeasterly along a straight line a distance of 120 feet, more or less, to a point that is 200 feet southeasterly of and at right angles to the centerline of said northbound lane; thence southeasterly along a curve to the right (concave northwesterly) having a radius of 86,145.67 feet, parallel to the centerline of said northbound lane a distance of 875 feet, more or less, to a point that is 200 feet southeasterly of and at right angles to the centerline of said northbound lane at Station 1286+09; thence turn an angle of 90° 00' to the right and run a distance of 75 feet to the point of beginning.

Said strip of land lying in the NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 33, T-1-N, R-4-E and containing 1.92 acres, more or less.

It being understood and agreed that upon completion of said Project all rights granted herein for temporary easement shall cease and terminate.

PARCEL NO. 6: A temporary easement to a strip of land necessary for the disposal of rock and being more fully described as follows: Beginning at a point that is 125 feet southeasterly of and at right angles to the centerline of the northbound lane of Project No. 1-65-1(25); thence southeasterly along a straight line a distance of 60 feet, more or less, to the east line of Section 33, T-1-N, R-4-E, the east property line; thence N 0° 04' W, along said east property line a distance of 60 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of said northbound lane; thence southeasterly along a curve to the right (concave northwesterly) having a radius of 86,076.67 feet, parallel to the centerline of said northbound lane, a distance of 75 feet, more or less, to the point of beginning.

Said strip of land lying in the NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 33, T-1-N, R-4-E and containing 0.04 acres, more or less.

It being understood and agreed that upon completion of said Project all rights granted herein for temporary easement shall cease and terminate.

PARCEL No. 7: An easement to a strip of land necessary for the construction and maintenance of a drainage ditch and being more fully described as follows: Commencing at the southeast corner of Section 23, T-1-N, R-1-W; thence N 0° 15' W along the west line of said Section 23, the west property line a distance of 1,500 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of the northward lane of Project No. 1-67-1(20) at Station 11,704.5; thence northeasterly along a curve to the right (concave southeasterly) having a radius of 97,170.76 feet, parallel to the centerline of said northward lane, a distance of 30 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of said northward lane at Station 11,734.5 and the point of beginning thence southerly along the centerline of said easement a distance of 125 feet to the point of ending.

Said strip of land making the right of way 25 feet wide on each side of the centerline of said easement from the point of beginning to the point of ending lying in the NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 23, T-1-N, R-1-W and containing 0.17 acres, more or less.

PARCEL No. 8: An easement to a strip of land necessary for the construction and maintenance of drainage ditch and being more fully described as follows: Commencing at the northeast corner of NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 23, T-1-N, R-1-W; thence S 87° 40' E along the north line of said NE $\frac{1}{4}$ of NE $\frac{1}{4}$ a distance of 1,500 feet, more or less, to Station 11,804.12 on the centerline of the northward lane of Project No. 1-67-1(20); thence southeasterly along a curve to the right (concave northeasterly) having a radius of 85,943.87 feet, along the centerline of said Project, a distance of 71 feet; thence turn an angle of 90° 00' to the left and run a distance of 125 feet to the point of beginning; thence southeasterly along the centerline of said easement, a distance of 30 feet, more or less, to the point of ending where the centerline of said easement intersects the east line of Section 23, T-1-N, R-1-W, the east property line.

PARCELS NO. 1: Commencing at the southeast corner of SW $\frac{1}{4}$ of SW $\frac{1}{4}$ of Section 27, T-1-N, R-1-E; thence N 89° 09' W along the south line of said SW $\frac{1}{4}$ of SW $\frac{1}{4}$, the south property line, a distance of 1,321 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of the northbound lane of Project No. 1-63-1(26) and the point of beginning; thence continuing N 89° 09' W along the said south property line a distance of 105 feet, more or less, to the southwest corner of Section 27, T-1-N, R-1-E; thence northerly along the west line of said Section 27, the west property line (crossing the centerline of said northbound lane at Station 1266+41) a distance of 396 feet, more or less, to a point on a line which extends from a point that is 300 feet northeasterly of and at right angles to the centerline of said northbound lane at Station 1266+42 to a point that is 300 feet northeasterly of and at right angles to the centerline of said northbound lane at Station 1277+00; thence N 50° 51' E along said line a distance of 330 feet, more or less, to the said point that is 300 feet northeasterly of and at right angles to the centerline of said northbound lane at Station 1277+00; thence northeasterly along a straight line (which if extended would intersect a point that is 230 feet northeasterly of and at right angles to the centerline of said northbound lane at Station 1282+00) a distance of 1245 feet, more or less, to a point on the east line of W $\frac{1}{2}$ of SW $\frac{1}{4}$ of Section 27, T-1-N, R-1-E, the east property line, that is northeasterly of and at right angles to the centerline of said northbound lane at Station 1299+55; thence S 0° 02' W (crossing the centerline of said northbound lane at Station 1297+31.5) a distance of 491 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of said northbound lane; thence S 51° 25' W, parallel to the centerline of said northbound lane, a distance of 120 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of said northbound lane at Station 1297+31.04; thence southeasterly along a curve to the right (concave northeasterly) having a radius of 55,053.67 feet, parallel to the centerline of said northbound lane, a distance of 1,375 feet, more or less, to the point of beginning.

Said strip of land lying in the W $\frac{1}{2}$ of SW $\frac{1}{4}$ of Section 27, T-1-N, R-1-E and containing 17.36 acres, more or less.

As a part of the consideration hereinabove stated there is also bargained, sold, conveyed and relinquished to the grantee all existing, future, or potential common law or statutory rights of access between the right of way of the public way identified as Project No. 1-63-1(25), County of Baldwin, and all of the grantor's remaining real property consisting of all parcels contiguous one to another, whether acquired by separate conveyances or otherwise, all of which parcels either adjoin the real property conveyed by this instrument or are connected thereto by other parcels owned by the grantor.

PARCEL No. 1: A temporary easement to a strip of land necessary for the disposal of earth and being more fully described as follows: Beginning at a point on the west line of Section 27, T-1-N, R-1-W, the west property line, that is northeasterly of and at right angles to the centerline of the northbound lane of Project No. 1-63-1(25); thence S 50° $34'$ E along a straight line a distance of 150 feet, more or less, to a point that is northeasterly of and at right angles to the centerline of said northbound lane at Station 1221+00; thence southeasterly along a straight line a distance of 100 feet to a point on a line which extends from a point that is 150 feet northeasterly of and at right angles to the centerline of the said northbound lane at Station 1227+00 to a point that is 700 feet northeasterly of and at right angles to the centerline of said northbound lane at Station 1226+12; thence S 50° $34'$ W along said line (which if extended would intersect the said point that is 700 feet northeasterly of and at right angles to the centerline of said northbound lane at Station 1226+12) a distance of 235 feet, more or less, to the west line of Section 27, T-1-N, R-1-W, the west property line; thence northerly along said west property line a distance of 150 feet, more or less, to the point of beginning.

Said strip of land lying in the SW $\frac{1}{4}$ or SE $\frac{1}{4}$ of Section 27, T-1-N, R-1-W and containing 0.45 acres, more or less.

It being understood and agreed that upon completion of said Project all rights granted herein for temporary easement shall cease and terminate.

PARCEL No. 2: A temporary easement to a strip of land necessary for the disposal of earth and being more fully described as follows: Beginning at a point that is 250 feet southeasterly of and at right angles to the centerline of the northbound lane of Project No. 1-63-1(25) at Station 1227+00; thence southeasterly along a curve to the right (concave northeasterly) having a radius of 55,141.67 feet, parallel to the centerline of said northbound lane, a distance of 325 feet, more or less, to the south line of Section 27, T-1-N, R-1-W, the south property line; thence S 89° $09'$ W along said south property line a distance of 95 feet, more or less, to a point that is southeasterly of and at right angles to the centerline of said northbound lane at Station 1221+00; thence northeasterly along a straight line a distance of 30 feet more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of said northbound lane at said Station 1221+00; thence northeasterly along a curve to the left (concave northeasterly) having a radius of 55,068.67 feet, parallel to the centerline of said northbound lane, a distance of 600 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the centerline of said northbound lane at Station 1227+00; thence turn an angle of 90° $09'$ to the right and run a distance of 75 feet to the point of beginning.

Said strip of land lying in the SW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 27, T-1-N, R-1-W and containing 0.35 acres, more or less.

It being understood and agreed that upon completion of said Project all rights granted herein for temporary easement shall cease and terminate.

PARCEL No. 3: An easement to a strip of land necessary for the construction and maintenance of a drainage ditch and being more fully described as follows: Commencing at the southeast corner of SW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 27, T-1-N, R-1-W; thence S 89° $09'$ W, along the south line of said SW $\frac{1}{4}$ of SE $\frac{1}{4}$ a distance of 1,400 feet, more or less, to a point that is southeasterly of and at right angles to the centerline of the northbound lane of Project No. 1-63-1(25) at Station 1221+00 and the point of beginning thence continuing S 89° $09'$ W, along the

Said north property line a distance of 20 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the southeast corner of said northward line (where southeasterly along a curve to the left (curves southeasterly) having a radius of 25,000.07 feet, parallel to the southeast corner of said Project, a distance of 20 feet, more or less, to a point that is 125 feet southeasterly of and at right angles to the southeast corner of said northward line at Station including thereon an angle of 90° 00' to the right and run a distance of 20 feet, more or less, to the point of beginning.

Said strip of land lying in the SW 1/4 of Section 27, T-4-N, R-4-E and containing 0.42 acres, more or less.

STATE OF ALABAMA,

Petitioner,

vs.

INTERNATIONAL PAPER COMPANY,
ET AL., as set forth in EXHIBIT
"B"; and BALDWIN COUNTY, a
Political Subdivision of the
State of Alabama,

Respondents.

IN THE PROBATE COURT OF
BALDWIN COUNTY, ALABAMA

CASE NO: _____

APPLICATION FOR CONDEMNATION

TO THE HONORABLE W. R. STUART, JUDGE OF PROBATE, BALDWIN COUNTY,
ALABAMA:

Comes the State of Alabama, Petitioner in the above styled cause, and files this, its application in the Probate Court of Baldwin County, Alabama, for order of condemnation of a right of way over the lands hereinafter described for a public road or highway, and as a basis for the relief sought, shows unto the Court as follows:

1. Petitioner is authorized under the Constitution of Alabama 1901, and under the provisions of Title 19, Section 1, Code of Alabama, 1940, as amended, to institute and prosecute these proceedings in its own name for the purposes of a public road or highway.

2. That said public highway has been designated by the State Highway Director as a part of the State Highway System and also known as Project No. I-65-1 (28), Baldwin County, Alabama.

3. That said public highway begins with Escambia County, Alabama Line and runs to Alabama State Highway No. 59.

4. The right of way over the property and lands hereinafter described as ~~Parcel E, Numbered~~ listed in Exhibit "A" attached hereto

and as set out in the right of way map on Project No. I-65-1(28) on file in the State Highway Department and in the Office of the Judge of Probate of Baldwin County, Alabama, has been deemed necessary by the State Highway Director in order to facilitate the flow of traffic and promote public safety.

5. That said tract(s) of land is necessary for use by Petitioner as a right of way for such public highway and in which Petitioner seeks to condemn as easement(s) or right of way(s) are

located wholly within Baldwin County, Alabama, and are (is) described in Exhibit "A" attached hereto.

6. That the right of way or easement which Petitioner seeks to condemn for highway purposes is set out and described in the right of way map on Project I-65-1(28), which is on file in the State Highway Department and in the Office of the Judge of Probate of Baldwin County, Alabama.

7. That a diligent search has been made of the records of Baldwin County, Alabama, and diligent inquiry made to ascertain the names and addresses of the parties owning said tract(s) of land and according to the best of Petitioner's information, knowledge and belief, the said lands are owned and interest in said lands are claimed by the parties named as Respondents in this cause.

8. That Baldwin County, Alabama, a body corporate under the Laws of the State of Alabama with its County Seat in the City of Bay Minette, Alabama, may have or claim an interest in said tract by reason of taxes and easements due and chargeable, and is hence made a Respondent herein.

9. See Exhibit "B" which is attached hereto and incorporated by reference as Paragraph Nine as if the same had been specifically written herein.

WHEREFORE, the premises considered, your Petitioner respectfully prays:

1. That an order be made appointing a day for the hearing of this application and that notice of the filing thereof and of the day set for the hearing thereof be given to the Respondents.

2. That this Court will appoint Commissioners to ascertain and report the compensation and damages occasioned by such taking.

3. That upon a final hearing of this petition an order and decree be made by this Court condemning the easement for the right of way as set out in the right of way map on Project No. I-65-1(28), over the lands as set out in Exhibit "A" of this

application, all for the uses and purposes of a public highway for the State of Alabama.

The polymerization was carried out in a 100 ml. three-necked round-bottomed flask equipped with a magnetic stirrer, a nitrogen inlet, and a thermometer. The monomer was added to the flask containing the initiator solution, and the mixture was stirred for 10 min. The polymerization was stopped by adding methanol. ORDER OF PROBATE JUDGE GRANTING APPLICATION FOR
CONDEMNATION AND APPOINTING COMMISSIONER:

This cause having heretofore been set for hearing on the
14th day of November, 1963, at 9:00 A.M. o'clock, as set
 forth in the application of the State of Alabama to condemn the right
 of way or easement on ~~Rxxxxix~~ Tract Number 29
 Project I-65-1(28), as specified in said application for condemnation
 over the lands therein described for the uses and purposes of a
 public road or highway for the State of Alabama, and it appearing to
 the Court that notice of the filing of said application for condem-
 nation and of the day set for the hearing of the same has been given
 to the owners and interested parties by service of a notice upon them
 for more than ten (10) days prior to this date.

WHEREUPON, after examination of said application and after
 hearing the evidence in support thereof, the Court is of the opinion
 that the allegations contained in said application are true and that
 it is necessary to condemn the easement or right of way over the
 lands as described in said application, all for the uses and purposes
 of a public road or highway in and for the State of Alabama, and no
 cause having been shown why such application should not be granted;

IT IS THEREFORE, ORDERED, ADJUDGED and DECREED by the
 Court that the prayer of said application for condemnation be granted
 and that the easement or right of way over the lands described in
 said application is hereby condemned for the uses and purposes of a
 public road or highway in Baldwin County, Alabama

It is FURTHER ORDERED by the Court that E. P. Bell
O. W. Lyles and Thomas Taylor,
 who are resident citizens of Baldwin County, Alabama, possessing the
 qualifications of jurors and who are disinterested in these

KNOW YE, that having full faith and confidence in your integrity and competency, you have been by order and decree of the Probate Court of Baldwin County, Alabama, designated and appointed as Commissioners in the above styled cause, with all of the power, authority and duties vested in or which may devolve on you as such Commissioners under and by virtue of the provisions of Chapter I of Title 19 of the Code of Alabama of 1940, as amended.

You will be sworn as jurors and you or a majority of you shall assess the damages and compensation to which the owners and interested parties are entitled by virtue of and on account of the condemning of the right of way or easement over the tracts of land described in the application for condemnation filed in this cause, all for the uses and purposes of a public road or highway in and for the State of Alabama. A description of the lands and the names of the owners and the easement sought are specifically set out in the application for condemnation filed in this cause.

You may view the lands to be subjected and you must receive all legal evidence offered by any party touching the amount of damage or compensation the owner of said lands and interested parties will sustain and are entitled to receive. Any person interested in the proceedings may be present in person or by attorney at any of these proceedings which you may have.

You must, within twenty (20) days from the day of your appointment, which is this date, make a report in writing to the Court, stating the amount of damage and compensation ascertained

ANSWER AND DISCLAIMER OF
HERCULES POWDER COMPANY

COMES NOW Hercules Powder Company, by its attorneys, and respectfully shows unto this Honorable Court that it has been made a defendant in this case for the reason that it heretofore purchased from W. P. Brown & Sons Lumber Company certain stumps and wood on the land in Section 23, Township 1 North, Range 4 East, Baldwin County, Alabama, identified in this case as Tract No. 53. Hercules Powder Company has heretofore removed from said land all of the stumps and wood belonging to it on said land and now has no further interest whatever in the same.

WHEREFORE, Hercules Powder Company now disclaims any interest in the said Tract No. 53 involved in this case and disclaims any interest in any compensation that may be fixed or allowed by this court in connection therewith.

Attorney for
Hercules Powder Company

OF COUNSEL:
