Said motor vehicle has been delivered to me and I am now in possession thereof hereunder. I shall not attempt to sell or encumber said motor vehicle during the life of this contract, and shall not use the same in violation of any State or Federal Laws. Said proceeds are to be applied to my indebtedness hereunder and the excess, if any, is to be remitted to me, or at the election of the owner hereof may be used to apply on the purchase of other insurance.

If any of said installments be not paid when due, then all unpaid installments hereof shall immediately become due and payable, without notice or demand. All of the parties hereto, including sureties, endorsers and guarantors, hereby severally waive presentment for payment, notice of non-payment, protest, notice of protest and diligence in bringing suit against any party thereto, and all endorsers and guarantors heron consent that the time of payment may be extended from time to time after maturity without notice to them. STATEMENT OF ADDITIONAL COVENANTS OF THE BUYER

If insurance is not included in the total time price, I promise to promptly insure the motor vehicle at my own expense against loss by fire, theft and collision for the period of the term of this contract under a policy providing that loss, if any, shall be payable to me and the holder of this contract as our respective interests may appear and to keep such insurance in full force during said term and to deliver to the holder of this contract within 5 days of the date of this contract a paid up policy to such effect. If I fail to so deliver such a policy the holder of this contract may purchase such a policy and the deferred balance of this purchase price provided for herein shall be increased by the premium on such insurance and I promise to pay the amount of such increase at such time or times as the holder of this contract demands together with interest on the amount of said premium at the highest legal contract rate.

If insurance is included in the total time price and the holder of this contract obtains such insurance and such insurance is subsequently canceled by the insurer, the return premium thereon shall be collected by such holder and may be received for by him either in his name or in my name and if possible the holder shall obtain therewith similar insurance to that canceled from another carrier and if the premium thereon is greater than the amount of such return premium because the new policy extends beyond the term of this contract or for any other reason, the deferred balance of the purchase price provided for herein shall be increased by such additional amount and I promise to pay such additional amount at such time or times as the holder hereof demands together with interest on the additional amount at the highest legal contract rate.

If insurance is included in the total time price and the holder is unable to obtain such insurance or if, having obtained such insurance, it is subsequently canceled by the insurer and a return premium is received by such holder and the holder hereof is unable to obtain other similar insurance, the holder is authorized by me to use as much of the cost of insurance included in the total time price or the amount of return premium received from such cancellation of insurance as the case may be, to purchase, if possible, a policy of single interest insurance against loss from the hazards set forth above protecting the holder alone against such loss and to apply any remainder toward the satisfaction of the last maturing installment of this contract.

If insurance is included in the total time price and no insurance of the types in this contract provided for — either dual or single interest — can be obtained or being obtained is canceled, the holder of this contract may apply all sums included in the total time price of this contract not expended for insurance and such sums as are returned to him because of cancellation of insurance toward the satisfaction of the last maturing installment of this contract.
