NOTICE OF PROPOSED CREDIT INSURANCE

The undersigned hereby takes notice that the credit insurance coverage checked above is to be purchased in connection with the indebtedness under this sales contract. This insurance, subject to the acceptance by the insurers, Old Republic Life Insurance Company, Chicago 1, Illinois, with respect to credit life insurance and Continental Casualty Company, Chicago 4, Illinois, with respect to credit accident and health insurance, covers only the person whose signature first appears below. Persons 65 years of age or older on the date the indebtedness is incurred are not eligible for insurance hereunder. The life insurance in force during the term of this contract shall be the amount necessary to discharge the indebtedness hereunder. In no event and under no condition shall the aggregate amount of life insurance in effect on the life of any debtor at any one time exceed a total amount of ten thousand dollars. The credit accident and health insurance coverage provides that if the insured becomes totally disabled due to an accident occurring, or sickness or disease causing loss commencing during the term of the indebtedness so as to be prevented from performing each and every duty pertaining to his occupation, indemnity equal to the time balance divided by the number of months in the term of the sales contract will be paid for each day of such total disability at the rate of 1/30th of the monthly amount beginning with the first day of a disability which is due to an accident and the 31st consecutive day of a disability which is due to sickness, provided, however, the undersigned takes further notice that sickness or disease which totally disabled the undersigned for one day or more during the six month period immediately preceding the effective date of the insurance shall not be covered under the policy. Benefits hereunder shall be paid to the creditor to be applied to reduce or extinguish the indebtedness; excess proceeds, if any, shall be payable to the insured or to the estate of the insured. All of the foregoing is subject to the provisions of the policy or certificate of insurance to be issued.

The rights and obligations of the respective parties hereto are as set forth herein and in the "Statement of Additional Covenants" set forth on the reverse side hereof, which statement I agree is a part of this contract and by this reference is incorporated herein. Such rights are cumulative and not elective, and their order in the contract in no way restricts their application. Waiver of any default shall not constitute waiver of any other default. STATEMENT OF ADDITIONAL COVENANTS

If no cost of insurance coverage applicable to the motor vehicle is included in this contract, I promise to promptly insure the motor vehicle at my own expense in a company acceptable to the holder hereof against loss by fire, theft and collision for the period of the term of this contract under a policy providing that loss, if any, shall be payable to me and the holder of this contract as our respective interests may appear and to keep such insurance in full force during said term and to deliver to the holder of this contract within five days of the date of this contract a paid-up policy to such effect. If I fail to so deliver such policy, or if such policy is subsequently cancelled or expires and I do not furnish replacement insurance immediately, the holder of this contract may but shall not be obligated to purchase such policy, and I promise to pay the cost thereof at such time or times as the holder of this contract demands together with interest thereon at the highest lawful contract rate until paid.

If any motor vehicle insurance obtained by the holder of this contract under the terms hereof is subsequently cancelled by the insurer and a return premium received therefrom, the holder after each such cancellation may but shall not be obligated to obtain therewith similar insurance from another carrier and if the premiums therefor are greater than the amount of return premiums, I promise to pay such additional amounts at such time or times as the holder of this contract demands together with interest thereon at the highest lawful contract rate until paid. If the holder chooses not to obtain such insurance protecting both the holder and myself against loss, the holder may but shall not be obligated to purchase a policy of single interest insurance protecting the holder alone against loss and to apply any remainder toward the satisfaction of the last maturing installment of this contract.

Any and all refunds or returns of unearned insurance premiums are hereby transferred, set over and assigned to the holder hereof as an additional security for the indebtedness evidenced by this contract and may be collected and receipted for by the holder in its name or in mine at any time. The holder of this contract may from time to time apply all sums not expended for insurance toward the satisfaction of the last maturing installment of this contract.

In the event this agreement and title to the motor vehicle is assigned to Associates Discount Corporation, I promise that after such assignment I will settle all claims against the seller directly with him and agree not to set up any such claim as a defense, counterclaim, set-off, cross complaint or otherwise to any action for the purchase price or possession of said motor vehicle brought by the owner hereof. I further agree to pay such attorneys' fees and court costs as are permitted by law in the event this contract is assigned to an attorney not a salaried employee of the holder for collection or repossession of the motor vehicle described herein.

ASSIGNMENT

For value received the undersigned hereby assigns the installment sales contract hereon, to the Associates Discount Corporation, and hereby transfers title to the motor vehicle described therein to said assignee, and warrants that the facts set forth in the contract are true, that said motor vehicle is free of all liens and encumbrance of whatever nature or kind, that said instrument is genuine and in all things what it purports to be, and that the undersigned has title to said motor vehicle and has a right to transfer title thereto; that said installment sales contract constitutes a valid and existing first lien on said motor vehicle; that all parties thereto have capacity to contract and that the undersigned has no knowledge of any facts which impair the validity of said instrument or render it less valuable or valueless; and further, that the undersigned believes that the facts stated in the buyer's credit statement enclosed are true. The warranties herein contained are made to induce assignee to purchase this contract and if any be untrue, with or without knowledge of the undersigned or reliance thereon by assignee, the undersigned will on demand purchase this contract from the assignee for the balance remaining unpaid.
