STATEMENT AND PETITION:

The undersigned, being the only parties interested in this matter, hereby petition the Court for approval of the following agreement and settlement, and agree and represent unto the Court as follows:

1. The said employee, Grace Teague, and the said employer, Lester Yates Stores, Inc., (doing business under the style of M & F Department Store in Foley, Alabama), are now, and were, at the time of the alleged injury to the said employee, subject to the provisions of the Workmen's Compensation Law of Alabama. The undersigned Hartford Accident & Indemnity Company, a corporation, (being a member of the Hartford Insurance Group), was the insurance carrier for said employer at the time of the injury.

2. The said employee, who is over the age of twenty-one and who resides in Baldwin County, Alabama, and who can read and understand the English language, allegedly did sustain an injury while working for said employer in Baldwin County, Alabama, on June 12, 1964, by opening a box of shoes for the purpose of window dressing, and employee alleges that such resulted in a disability to her back. It is stipulated and admitted between the parties that notice was given of such injury and that subsequently the employee was admitted to Providence Hospital for treatment and as a result of such treatment, incurred medical expenses as follows:

Drs. Cleveland, Johnson, Lane, Box & Bryant-----	\$ 50.00
Dr. P. G. Batson, Jr.-----	5.00
Dr. F. B. Hodnette-----	10.00
Providence Hospital-----	484.75
Dr. William Patton-----	525.00
Total-----	<u>\$1074.75</u>

Further, the loss of time incurred by the employee and the amount to which she is and was entitled to from the date of said injury to the date of this petition, is the sum of \$228.00 for temporary partial disability payments. That no permanent injury resulted to the employee because of said injury.

3. The said employer, through its insurance carrier, has agreed to pay the employee the compensation set forth in the preceding paragraph for the purpose of paying the medical bills incurred by said employee. The said employer, through its insurance carrier, has previously paid to the said employee, compensation in the sum of \$114.00 and proposes to pay to the said employee, the additional sum of \$114.00 in consideration for the period from July 20, 1964, to August 3, 1964. Neither the employer or its insurance carrier waive any rights that they have as to notice, actual or constructive, by their appearance in this cause, and enter an appearance for the sole purpose of making settlement of the medical and compensation alleged due the employee by the employer and allege that it is for the best interest that said employee, Grace Teague, accept the sums set forth hereinabove as full compensation that she is and was entitled to receive from the said employer and its insurance carrier on account of any injury sustained by the employee while working for the employer in June, 1964.

4. The employee acknowledged that she has received to date all medical and surgical treatments and benefits of every type given and provided by the Workmen's Compensation Act of Alabama, and to which she was and might be entitled by virtue thereof.

5. The settlement as set out herein contains the whole agreement between the parties hereto.
