CONTEST OF CLAIM OF HOMESTEAD

STATE OF ALABAMA)
COUNTY OF MOBILE)

Before me the undersigned authority in and for said County and State personally appeared W. Boyd Reeves, who is known to me, and who being by me first duly sworn deposes and says:

That he is a member of the law firm of Armbrecht, Jackson, McConnell & DeMouy, attorneys for the Plaintiff Gulf Coast Marine Supply Company in the case of Gulf Coast Marine Supply Company v. Tillman Bethea, etc., Circuit Court of Mobile County, Alabama, At Law, Case No. 4009.

That in affiant's belief the Claim of Homestead filed with the Sheriff of Baldwin County, Alabama on, to-wit, April 20, 1965, by the Defendant Tillman Bethea, and served on Armbrecht, Jackson, McConnell & DeMouy on April 23, 1965, is invalid in that said Claim of Homestead claims that the property described therein has a value of less than \$6,000, whereas Title 7, Section 625 Code of Alabama and Section 205 of the Constitution of 1901 only gives to the Defendant a homestead exemption of \$2,000.

That in affiant's belief the real property together with improvements thereon, described in said Claim of Homestead has a value in excess of \$2,000 and the claim is therefore excessive. Said real property, being situated in Baldwin County, Alabama is described as follows:

"Beginning at the Northeast corner of Section 29, Township 4 South, Range 2 East, run thence West along the section line 721.5 feet to a point on the West line of a 30 foot road; run thence South along the said road 50 feet to a point of beginning; run thence South 100 feet; run thence West 91.5 feet; run thence North 100 feet; run thence East 91.5 feet to the Point of beginning in Section 29, Township 4 South, Range 2 East."

That in affiant's belief the real property, together with improvements thereon, hereinabove described has a value in excess of \$6,000.

PLEA IN ABATEMENT

Comes now Defendant by his Attorney, Wilson Hayes, and appearing specially and only for the purpose of filing this his Plea in Abatement in the above styled cause says as follows:

1. That Plaintiff ought not to have and maintain the above styled cause in this Court for that the real property claimed as exempted as homestead by Defendant is and appears on the face of the pleadings to be situated in Baldwin County, Alabama.

2. This Court has no jurisdiction over the property claimed as exempted as homestead by Defendant in that the said real property is now and has ever been situated in Baldwin County, Alabama.

MOTION TO STRIKE

Comes now the ~~Defendant~~^{Plaintiff} in the above styled cause and moves the Court to strike Defendant's separate and several pleas in abatement filed hereinon, to-wit, September 24, 1965 and as grounds therefor respectfully shows unto the Court as follows:

1. It affirmatively appears from the pleadings herein that the contest of claim of homestead exemption was returned to this court in, to-wit, May of 1965; that the claim was initially set for hearing on June 11, 1965, and was subsequently set for hearing on June 25, 1965, July 23, 1965, September 17, 1965, and September 24, 1965 and was continued on each date; Defendant's plea in abatement was not filed herein until September 24, 1965; therefore, the Defendant has, by his delay, waived any right to object to the jurisdiction of this court to hear the claim of contest of homestead exemption.

2. For that the Defendant has waived his right to make any objection to the jurisdiction of this court.

3. For that the said plea in abatement comes too late and Defendant has waived any right to object to the jurisdiction of this court.

DEMURRER TO PLEA IN ABATEMENT

Comes now the Plaintiff in the above styled cause and demurs to the separate and several pleas in abatement of the Defendant, Tillman C. Bethea, on the following separate and several grounds:

1. For that said plea fails to allege facts in abatement of the Plaintiff's contest of claim of homestead.
2. Said plea is insufficient.
3. For that the facts alleged in said plea do not constitute matters in abatement as a matter of law.
4. For that it affirmatively appears from the pleadings that this Court has jurisdiction to hear Plaintiff's contest of claim of homestead.
5. For that it affirmatively appears that this Court has jurisdiction to hear Plaintiff's contest of Defendant's claim of homestead exemption.
6. For that it affirmatively appears that the Sheriff of Baldwin County returned the Contest of Claim of Homestead Exemption to this Honorable Court in May of 1965 and Defendant's Plea in Abatement

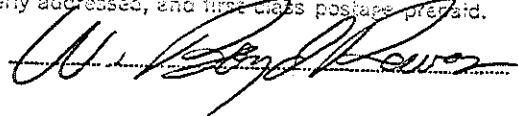

was not filed herein until September 24, 1965; therefore, Defendant has waived jurisdiction.
