COUNT ONE:

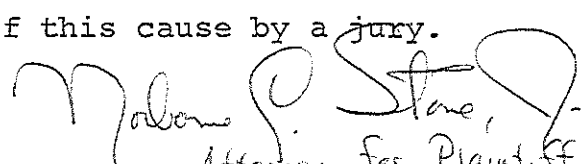

The Plaintiff claims of the Defendant the sum of
Forty Thousand Dollars (\$40,000.00) for that, on heretofore,
to-wit: the 9th day of June, 1964, while the Plaintiff's intes-
tate was a servant or employee of the Defendant at his place of
business in Bay Minette, Baldwin County, Alabama, he received
injuries caused by a defect in the condition of the machinery
used in the business of the Defendant from which he died; and
the Plaintiff further alleges that the death of the said Bobby
Lee Mixon was caused by the Defendant negligently requiring the
said Bobby Lee Mixon to perform work on an automobile which had
been elevated by a winch or crane which the Defendant knew, or
should have known, was defective, and while the said Bobby Lee
Mixon was so engaged the winch or crane broke causing the auto-
mobile to fall on him killing him instantly. Wherefore, the
Plaintiff brings this suit and asks judgment in the above amount.
