CHARGE NO. 2.

The Court charges the jury if there is a probability
of the Defendant's innocence then they must acquit.

Givens,
A. W. Hare, Judge

CHARGE NO. 1

The Court charges the jury that before the jury can convict the Defendant they must be satisfied to a moral certainty, not only that the proof is consistent with the Defendant's guilt, but that it is wholly inconsistent with every other rational construction; and unless the jury are so convinced by the evidence of Defendant's guilt that they will each venture to act upon that decision in matters of the highest concern and importance, to his own interest, then they must find the Defendant not guilty.
