I moved away from there and do not know whether they lived together or not. I sm thirty five years old, and live near Loxley, Alabama.

#### DEPOSITION OF JOHN HADLEY

My name is John Hadley, I reside at Perdido , Alabama, and am 41 years of age. I have known Luke Hadley and Carrie Bell Hadley ever since I could remember. Theremember the time they were married. They were legally married at Bay Minette, Alabama, about 25 years ago. They have about 9 or 10 children. I lived about 4 miles from where they lived in December 1931. I remember the time, which was about December 6th, 1931 , that Luke Hadley caught his Wife, Carrie Bell Hadley, in the act of Adultery with one Rufus Merchant. It was general talk in the community at that time. This broke them up and they have not lived together since said time, as husband and wife. They are both over the age of 21 years and are residents of Baldwin County. I was at Luke Hadley's house on the night of December 6th, 1931 , when this alleged act of adultery of Carrie Bell Hadley with one Rufus Merchant took place on the gallery of the home of Luke Hadley. I am familiar with all the facts and circumstances at this time and I speak from personal knowledge and observation.
