Before me, Norborne Stone, a Notary Public, in and for said state and county, personally appeared Dr. George C. Marlette, who is known to me, and who after being by me first duly sworn doth depose and say under oath:

That I am the Health Officer in and for said county and as such have had occasion to visit, on May 27th. 1922, the family of Mr. R. T. Coleman who resides near Perdido Station, in this county; that in said family there is an acute case of diphtheria; that T. S. Coleman is a member of said family and is residing in the same house in which the patient is; that all of the inmates are under quarantine and the premises are placarded.

That the conditions now existing by reason of such disease are such that it would be dangerous, both to the person and to the public, to allow the said T. S. Coleman or any other inmate to go out in public or to attend court before June 10th., 1922.
