as set out hereinabove.

I have made and caused to be made, a diligent search and inquiry from various residents in the City of the said lands, Fairhope, Alabama, and also from various individuals and the records at Bay Minette, Alabama, and various other parties in Baldwin County, Alabama, to ascertain the present addresses, of the said parties, whose addresses are unknown, and whether or not they, or any of them, are dead, and if dead the names, ages and addresses of their, and each of their heirs, and they are unknown, from all information obtained are over twenty one years of age and non residents of the State of Alabama.

About fifteen acres of the land are now in cultivation, and have been for the past eight years or more, and the entire tract has been fenced for more than ten years. During the past ten years or more, no person has made any claim to or exercised any right of possession over said lands adversely to my claim and title.

Byron J. Reynolds

HARRY H. PARKER, a witness for Complainant, being first duly sworn, deposes and says; My name is Harry H. Parker. I live at Fairhope, in Baldwin County Alabama, where I have lived all my life. I am well and personally acquainted with the Southeast Quarter of the Southeast Quarter of Section 28, Township 6 South Range 2 East, in Baldwin County, and have had occasion to be upon it at least a hundred times during the last ten years. I know that for the past several years, more than ten years, the Complainant has been in the actual occupancy of the said lands, which have been under fence, and also a part thereof has been cultivated for a number of years. This land immediately joins and home of the Complainant where he has been operating a farm and dairy business for more than ten years and using the land involved as a farm and pasture continuously during that time. I have, at the request of the Complainant, made a diligent and special search and inquiry to find out the names, ages and addresses of the Respondents whose addresses are unknown, but have been unable to ascertain them.
