NO. 2015

Comes now the Plaintiff in the above entitled cause and
propounds the following interrogatories to the Defendant:

1. How many chicken houses did you maintain at the time you were buying feed from Robertsdale Milling & Elevator Co?
2. How many chickens did you have in each house at that time?
3. Where did you purchase these chickens?
4. How old were they?
5. How often did you cull these chickens?
6. What method did you use to determine whether they needed to be culled or not?
7. How often did you feed your chickens?
8. How did you dispense the feed?
9. What was your source of water supply for these chickens?
10. What type floor did you keep in your chicken houses?
11. When were your chicken houses last cleaned out?
12. How often did you check your chickens for mites?
13. How did you check them for mites?
14. How often did you check your hens for internal parasites during the year 1965?
15. How did you make this check?
16. How often did you check your chickens for lice?
17. How did you do this?
18. Were your chicken houses enclosed?
19. If they were not, what did you use to protect the chickens from cold and rain?
20. In your experience, will cold weather cause a drop in egg production?
21. Will rainy weather cause a drop in egg production?
22. If chickens are excited or frightened, will it cause a drop in their egg production?

23. Does the fact that chickens have lice cause them to lay with irregularity?
24. In your experience do chickens normally molt?
25. At what age do they normally molt?
26. How long have you been raising chickens?
27. Did you feed your chickens any vitamins or supplements of any sort?
28. Did you keep a continuous supply of grit or oyster shells in your chicken houses?
29. If you did, how was this distributed?
30. Did you have any rodents in your chicken houses?
31. If so, what was the degree of infestation?
32. Did you have any artificial light in your chicken houses?
33. If you did, during what hours did you leave the lights burning?
34. What method did you have of turning the lights on and off?
35. Did you maintain artificial lights on cold days?
