CASE NO: 7428

Plaintiff claims of the defendant \$746.54, due from her by written contract, a copy of which is attached to the original of this bill as if more fully set out herein, heretofore executed by the defendant. Plaintiff avers that the defendant breached said contract in that she failed and refused to pay the installments due thereunder and as a result of said default, the plaintiff did, in accordance with the terms of said contract, repossess the vehicle described in said contract. Plaintiff further avers that said vehicle was duly sold and that the price received therefor constituted the fair and reasonable market value of said vehicle at the time of said sale by plaintiff and that the said sale price has been duly credited to the defendant's account and further, plaintiff avers that all just and proper credits have been allowed the defendant, but that the above sum remains due and unpaid. Plaintiff avers that in said contract the defendant waived as to

this debt all rights of exemption under the Constitution and Laws of the State of Alabama and further, plaintiff claims the sum of \$200.00 as a reasonable attorney's fee, as provided under the terms of said contract, and plaintiff avers that said fee is reasonable.
