FOR VALUE RECEIVED, the undersigned jointly and severally promise to pay to the above named Lender, or Order, at its above office, the Face Amount of Note stated above with charges as herein provided.

The Face Amount of Note, which includes Cash Advance and charges precomputed at the agreed rate to the maturity date above stated, is payable in consecutive monthly installments as indicated above beginning on the stated due date for the first payment and continuing on the same day of each succeeding month to and including the stated due date for the final payment. Payment in advance may be made in any amount. If the Note is prepaid in full, one month or more before maturity the unearned portion of the precomputed charges for payment according to schedule, less any unpaid default or extension charges shall be rebated as provided by law. Time being of the essence, default in the making of any payment due hereunder or any part thereof, or of any charges provided for herein, shall, at the option of the holder hereof and without notice or demand, render the then unpaid balance due hereunder and accrued charges at once due and payable. It is specifically understood and agree that the holder may waive one or more defaults without losing at any time the option to accelerate maturity upon any subsequent default.

The undersigned jointly and severally agree to pay an additional charge for each installment past due fifteen (15) or more days, whether by reason of default or extension agreement, of 3% of such installment. If the payment date of all wholly unpaid installments is deferred or extended one or more full months, the deferment or default charge will be paid only on the installment which is delinquent on the date the Note is extended or deferred.

Extensions of the time of payment of all or any part of the amount owing herein at any time or times, or any variation, modification or waiver of any term or condition hereof at any time or times, shall not affect the liability of any obligor hereof, it being the intent of all of the obligors that they shall continue jointly or severally absolutely liable for the payment of the aforesaid indebtedness until the same is actually paid in full. All obligors hereon hereby both individually and severally waive notice of acceptance, presentment for payment, demand, protest, notice of demand, non-payment, and protest of this note, and further waive all rights of homestead exemption, personal exemption, and all other rights of exemption of every kind under laws of the State of Alabama or any other State.

Whenever the context so requires the singular shall be taken in the plural and the plural shall be taken in the singular. The construction, validity and effect hereof shall be governed by the ALABAMA SMALL LOAN ACT and the undersigned acknowledges receipt of a statement in English as required by Section 15 of said Act.
