Respondent

IN THE CIRCUIT COURT OF
BALDWIN COUNTY, ALABAMA

IN EQUITY.

NO. _____

Comes the Respondent and for answer to the above styled cause and each
phase thereof separately and severally shows unto this Honorable Court
as follows:

1.

That he admits as to count one of said complaint, that the said Dixie
Research Chemist, Inc., is a corporation organized under the laws of the
State of Alabama with its principal office in Bay Minette, Alabama, but he
shows unto this Honorable Court that the stock holders of record in the
office of the Probate Judge of Baldwin County are, Perry W. Mader, 33 shares,
Charles K. Little, 17 shares, C. LeNoir Thompson, 16 1/3 shares; the said
C. LeNoir Thompson did transfer by written agreement to the said Ayres C.
Little one share in said corporation; and that your respondent has not seen
any transfer of stock to Gerstle I. Mader and Clyde Little as alleged in count
one of said complaint, but he does admit that said parties noted in count
one in said complaint are over the age of 21 and were residents of Bay Minette,
Alabama at the time said action was commenced.

2.

Your Respondent admits the allegations alleged therein.

3.

Your Respondent denies the allegations alleged therein; and for further
answer to said count three, shows unto this Honorable Court that the said
Perry W. Mader employed the said C. LeNoir Thompson as attorney to obtain a
release to the said Perry W. Mader of the chemical formula known as Mader's
Formula from the Alabama Research Chemist, Inc., a Corporation organized
under the laws of the State of Alabama with its principal office at Loxley
in Baldwin County, Alabama to which corporation the said Perry W. Mader had
made available the said Mader's Formula in return for a majority of the stock
issued thereof; and further that the said Perry W. Mader had also employed
the said C. LeNoir Thompson to recover from the said Alabama Research Chemist,
Inc., a corporation organized under the laws of the State of Alabama the

contracts acquired by the said Perry W. Mader with sundry persons for the sale by said Alabama Corporation to sundry persons of Mader's Formula, together with funds in the amount of to-wit: One Thousand Six Hundred (\$1600.00) Dollars paid to the Alabama Research Chemist, Inc., a corporation for an order of said Maders Formula to be shipped to a purchaser thereof.

That the said C. LeNoir Thompson did obtain the release of said Maders Formula from said corporation by arranging for the said Perry W. Mader to transfer to said corporation the majority stock held by him in return for the release of the said Maders Formula to the said Perry W. Mader; and further that the said C. LeNoir Thompson did obtain the sum of One Thousand Six Hundred (\$1600.00) Dollars in money from said Alabama Research Chemist, Inc., a corporation to be paid to the said Perry W. Mader in return for an agreement by the said Perry W. Mader to hold harmless the said Alabama Research Chemist, Inc., a corporation from the contracts entered into by the said Perry W. Mader for the delivery of the said Maders Formula.

4.

That your Respondent admits the allegations of count four of said complaint.

5.

As to count five that your Respondent denies the allegations as alleged in said count and for further answer thereto shows unto this Honorable Court that the said Perry W. Mader showed unto your Respondent that he needed all of the money recovered from the said Alabama Research Chemist, Inc., a corporation in order to fullfill the contract of sale entered into with sundry persons in Florida, and that the said Perry W. Mader agreed that he would within 12 months pay to your Respondent the sum of Eight Hundred (\$800.00) Dollars for services rendered in collecting the One Thousand Six Hundred (\$1600.00) Dollars, the agreement being that he would pay to your Respondent a sum equal to half of the sum recovered from the said Alabama Research Chemist, Inc., a corporation and that he would pay to your Respondent as an attorney fee the sum of Five Hundred (\$500.00) Dollars for services rendered in obtaining the release of the said Maders Formula from the said Alabama Research Chemist, Inc., that he would deliver to the said C. LeNoir Thompson 16 1/3 shares of stock in the said Dixie Research Chemist, Inc., a corporation to be organized by the said C. LeNoir Thompson said shares to be delivered to the said C. LeNoir Thompson without expense to the said C. LeNoir Thompson but as security for the Five Hundred (\$500.00) Dollars fee herein alleged, and

further that said shares would represent approximately $\frac{1}{4}$ of the shares to be issued and same to be of record in the office of the Judge of Probate of Baldwin County. That said agreement was carried out as to the organization of the said Dixie Research Chemist, Inc., and the recording of the incorporation papers of said corporation showing 16 1/3 shares of stock held by C. LeNoir Thompson as fully paid stock.

6.

As to count 6, your respondent denies the allegations of said count and for further answer thereto shows unto this Honorable Court that at all times two signatures were required to withdraw funds of the Dixie Research Chemist, Inc., a corporation from the Baldwin County Bank, Bay Minette, Alabama which was the depository of funds belonging to said corporation; the signatures required were any two of the following named individuals: Perry W. Mader, Charles K. Little, C. LeNoir Thompson. Perry W. Mader as president of said corporation and Charles K. Little secretary and treasurer of said corporation had access to the accounts and funds as well as the records thereof of said corporation and had possession of said records.

7.

Said Respondent denies the allegations alleged in count 7 of said complaint.

Your Respondent prays this Honorable Court to take this answer as an answer and cross-bill and make the Complainant Cross-Respondent in said cause and that he be required to plea, answer or demur in accordance with the law and the rules of this Honorable Court.

1.

And further that the said Perry W. Mader, during the month of May, 1953 with the specific instructions that the said suit after filing, was to be taken over by some Birmingham, Attorney, did employ the said C. LeNoir Thompson to draft a suit against Horace Kennedy and Jack H. Lewis d/b/a J. H. Lewis Advertising Company. Your Respondent and Cross-complainant claims of the complainant and cross-respondent Perry W. Mader the sum of Two Hundred Fifty (\$250.00) Dollars as a reasonable sum for preparing and filing said action.

2.

That the said Perry W. Mader did during the month of May, 1953, employ the said C. LeNoir Thompson as attorney to file a petition for mandamus against Horace Kennedy as secretary treasurer of Gro-crop, Inc., a corporation to require the said Horace Kennedy to permit the said Perry W. Mader, or his

attorney or accountant to examine the books of said corporation. That the said C. LeNoir Thompson did obtain from the said Horace Kennedy certified audits of the books of the said corporation and made same available to the said Perry W. Mader. That no sum was agreed between the said Perry W. Mader and C. LeNoir Thompson as a reasonable fee for said services and the said C. LeNoir Thompson claims as a reasonable fee the sum of Two Hundred Fifty (\$250.00) Dollars.

3.

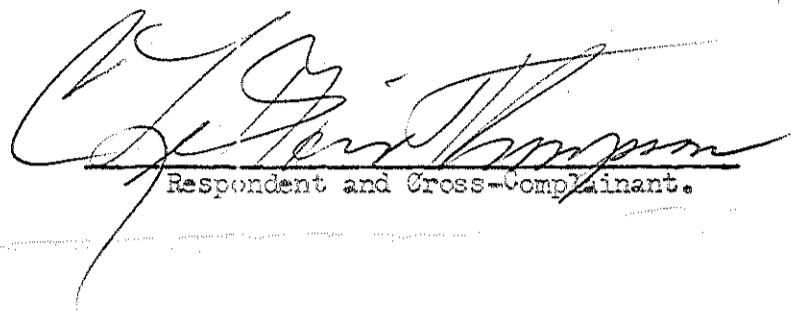

The said Perry W. Mader did during the year 1953 employ the said C. LeNoir Thompson as attorney to file suit against Emmett Gulledge that the said Perry W. Mader and the said C. LeNoir Thompson did not reach an agreement for the services of C. LeNoir Thompson in filing said action and the said C. LeNoir Thompson claims as a reasonable fee for filing said action the sum of Thirty-five (\$35.00) Dollars.

Your Respondent and cross-complainant prays that your Honor will on a final hearing of this cause make and enter a decree denying the complainants the relief sought and further that your honor will make and enter a decree adjudicating said cause and providing in said decree that the said C. LeNoir Thompson shall recover of the complainants herein the sum of Eight Hundred (\$800.00) Dollars as a just and suitable amount owed the said C. LeNoir Thompson for the recovery of funds to the advantage of Perry W. Mader and of the Dixie Research Chemist, Inc., and its stockholders; and further adjudicate that the said C. LeNoir Thompson recover of the said Perry W. Mader and the said Dixie Research Chemist, Inc., the sum of Five Hundred (\$500.00) Dollars for services rendered in obtaining the release of the said Mader's Formula to the use of the said Dixie Research Chemist, Inc., a corporation; and further that this Honorable Court will adjudicate that the said Perry W. Mader owes the said C. LeNoir Thompson the sum of Two Hundred Fifty (\$250.00) Dollars as a reasonable sum for the preparation and filing of the action against J. H. Lewis et al; and will further adjudicate that the said C. LeNoir Thompson recover of the said Perry W. Mader the sum of Two Hundred Fifty (\$250.00) Dollars for action taken in obtaining audits of the accounts of Gro-crop, Inc.; and will further adjudicate that the said C. LeNoir Thompson recover of the said Perry W. Mader the sum of Thirty-five (\$35.00) Dollars as a reasonable fee in filing an action against Emmett Gulledge; and that your Honor will grant

such other, further, different and general relief as unto your Honor may seem just and proper, and, as in duty bound, your Complainant will ever pray, etc.
