RE: Alabama Carpets Inc. Vs. McCall & Campbell Contractors, Inc.
Circuit Court of Baldwin County At Law

Dear Judge Mashburn:

The above case was transferred from the Circuit Court of Mobile County to the docket of your Court subsequent to the confession of a plea in abatement on grounds of venue, where it is now pending.

My client has informed me that Defendant has never denied owing this but has claimed only inability to pay, so that I do not believe the existance of the debt is contested. Also on July 24, I wrote the attorney who filed the pleas in abatement, asking him to file additional pleas by August 14, or I would feel free to take a judgment by default after then. I have attached a copy of that letter. As I have heard no further from the Defendant or counsel in his behalf, and as no further pleadings have been filed, I am desirous of taking a judgment by default in the amount of \$3,021.00, plus court costs under Count One of the Complaint, on a verified statement as attached thereto. This amount represents the original balance of \$2,905.97, plus \$115.03 interest from November 4, 1967.

For your convenience, I am enclosing an original and one copy of a judgment entry which I request be signed by Your Honor if it is in proper form at your earliest convenience.

Upon entry of the judgment, I would appreciate your having Mrs. Duck send me a certificate of judgment and a cost bill for all costs owing.

Thanking you for your cooperation, I am

Yours very truly,

ROBERT A. BECKERLE
