I, Lynleona Nixon

as Register and Commissioner

have called and caused to come before me Mary Cloud Cobb and Alvie Lee Higgins

witnesses named in the Requirement for Oral Examination, on the 2 day of May 1945, at the office of C. LeNoir Thompson in Bay Minette, Alabama, and having first sworn said Witnesses to speak the truth, the whole truth, and nothing but the truth, the said Mary Cloud Cobb and Alvie Lee Higgins

doth depose and say as follows:

That my name is Mary Cloud Cobbs and the Respondent is W. H. Cobbs we are both over the age of 21, and residents of Alabama, and have been more than two years next proceeding, we were married November 23, 1951 at Lucedale, Mississippi, and lived together as husband and wife in Baldwin County, Alabama, until April 6, 1952 at which time we separate the cause of the separation was the respondent drinking habits and mistreatments of me while he was drinking, several times prior to the separation the respondent while drinking would fly into violent fits of rage and on said April 5, he, while drinking flew into a very violent rage, seized me, threw me down and place a heavy walking stick on my neck threatening to kill me, because of his earlier actions and threats I was placed in fear of my life and health, but because of was not near a telephone I was unable to call the officers at that time the following day he went off and returned with two quarts of whiskey most of one quart being consumed while he was gone when he returned home in his drunken condition and again threaten to kill me I believe he meant to keep his threat and I went to a neighbor and sent for officers, who came and placed the respondent in jail, this was on April 6, 1952, I know that I can never lived with him again as his wife and ask for my divorce, there are no children as fruits of our marriage, and a property settlement has been made between the parties.

Mary Cloud Cobb

That my name is Alvie Lee Higgins, I know both parties to this cause, they are both over the age of 21, and have been residents of Baldwin County, Alabama for more than two years the next proceeding they were married in November 23, 1951 at Lucedale, Mississippi and lived together as husband and wife in Baldwin County, Alabama until April 6, 1952 at which time the Complainant was forced to leave the respondent because he had treated her so brutal, and threatened her life that she was afraid to live with him any longer being in fear of her life and health I saw her not long after he had thrown her down and put the heavy walking cane on her neck and it was easy to recognized, and I did recognize the fear for her life which he had instilled in her I believe the man to be dangerous as I was on the occasion, I know that because she is so afraid she will never live together with him as his wife they have no children as fruits of this marriage and they have made a property settlement between them.

TO THE HONORABLE TELFAIR J. MASHBURN JR., JUDGE OF THE CIRCUIT COURT OF
BALDWIN COUNTY, ALABAMA:

Comes your Complainant, Mary Cloud Cobb, and respectfully represents unto
your Honor:

1.

That your Complainant and the Respondent are both bona fide residents
of Baldwin County, Alabama, and over twenty-one years of age.

2.

That your Complainant and the Respondent married at Lucedale, Mississippi,
on November 23, 1951, and lived together as husband and wife until on to-wit
April 6, 1952.

3.

That on to-with April 6, 1952, and on several occasions prior thereto
the Respondent threatened and abused the Complainant and did actual violence
to her person which would necessarily endanger her life and health. The
conduct of the Respondent was such as to give the Complainant every reason-
able apprehension to believe and she did actually believe that if she con-
tinued to live with him he would carry out his threats and do further vio-
lence to her person, which would necessarily endange her life and health.

4.

That your Complainant and the Respondent have no children as fruits of
this marriage, and there is no property to be divided.

Figure 1 consists of 11 line graphs arranged in a 3x4 grid. The first row contains graphs (a) through (d), the second row contains (e) through (h), and the third row contains (i) through (k). Each graph plots 'Plasma concentration of diazepam (mg/L)' on the y-axis against 'Time (h)' on the x-axis. The x-axis for all graphs ranges from 0 to 12 hours. The y-axis scale varies by graph: (a) 0-10, (b) 0-10, (c) 0-10, (d) 0-10, (e) 0-10, (f) 0-10, (g) 0-10, (h) 0-10, (i) 0-10, (j) 0-10, and (k) 0-10. The graphs show that the plasma concentration of diazepam increases over time in all groups, with the highest concentration observed in group (d).
