TESTIMONY OF DELORES MIZNER, WITNESS ON HER OWN BEHALF:

I am the Complainant in this divorce cause and I am the wife of the Respondent. We were married to each other on October 5, 1935 at Mobile, Alabama. Both myself and the Respondent are each over the age of twenty-one years, and we were such at the time of the filing of the Bill of Complaint herein. I am a bona-fide resident citizen of the State of Alabama and I have been such for more than two years next preceding the filing of the Bill of Complaint herein, and I have actually resided within the State of Alabama during this period of time. The Respondent is a non-resident of the State of Alabama. There have been no children born to our marriage.

The Respondent has lived separate and apart from my bed and board since June or July of 1947, which has been for more than two years next preceding the filing of the Bill of Complaint herein. I have not received any support of any kind from the Respondent for more than two years next preceding the filing of the Bill of Complaint herein, and I have bona-fided resided in the State of Alabama during said period. We were living in Mobile, Alabama at the time of our separation. Respondent packed all of his clothes and moved away from the house we were living in and moved to another place of residence in Mobile, Alabama. That was in either June or July of 1947, and he has failed to provide me with any form or kind of support or maintenance since that time and the Respondent left the State of Alabama in August or September of 1947 and went to the State of Minnesota to live and I have not seen or talked to him except over the telephone since that time.

TESTIMONY OF CHARLES MCMELLEN, WITNESS ON BEHALF OF THE COMPLAINANT:

I have known the Complainant for about six years. The Complainant and the Respondent were married to each other October 5, 1935 at Mobile, Alabama. The Complainant is a bona-fide resident citizen of the State of Alabama and she has been such for more than two years next preceding the filing of the Bill of Complaint herein, and the Complainant has actually resided within the State of Alabama during that period of time. Respondent is a non-resident of the State of Alabama. Both the Complainant and the Respondent were each over the age of twenty-one years at the time of the filing of the Bill of Complaint herein. There have been no children born to the marriage between the Complainant and the Respondent. Respondent has lived separate and apart from the bed and board of the Complainant for more than two years next preceding the filing of the Bill of Complaint herein, and she has not received any support from the Respondent for more than two years next preceding the filing of the Bill of Complaint herein. The Complainant has bona-fided resided in the State of Alabama during the said two year period of time. I know that they were separated from each other at the time I met the Complainant and that they have not seen each other since I have known the Complainant and I know that I would have known about it if they had seen each other because I see the Complainant quite often and she would have told me, also I know quite a few of Complainant's friends and they would have told me about it if she had.
