I am personally acquainted with the Complainant and the Respondent in this case and have lived in the same house with them for the past three years. The Respondent left the house where the Complainant was living during the month of February 1952 and has not returned to live with her since. At various times the Respondent would return for a very short visit with the Complainant but these visits were infrequent and seldom lasted for more than one hour.

The Complainant and the Respondent have two children, a boy and a girl. These children have always been in the care, custody, and control of the Complainant and I think she is a fit and proper person to care for the daid children.

truth, the whole truth, and nothing but the truth, the said Sadie Louise Hill

__, Alabama, and having first sworn said Witness___

The respondent is over twenty-one years of age and a resident of Baldwin County, Alabama.

The respondent and I married on or about February 14, Lucedale, Mississippi and lived together as man and wife until about February, 1952, at which time the respondent abandoned my through no fault of my own. We have not lived together as husband and wife since February, 1952.

Just prior to the time the respondent abandoned me, he came to the house where I was living with our two children, and in a fit of temper he assaulted and struck me, committing actual violence on my person. At this time the respondent made threats of doing me physical harm and from his manner and conduct I am reasonably convinced that he will commit an actual violence upon my person, attended with danger to my life and health, if we try to continue to live together as husband and wife.

The respondent and I have two children, William J. Hill, Jr., four years of age, and Sadie Louise Hill, nine months of age. These children are now and have been all of their lives in my care, custody and control. I am a fit and proper person to care for the said children.

The respondent and I have entered into an agreement that I shall have the custody of the said children in the event of a divorce and that the respondent will pay me \$100.00 per month for the care and maintenance of said children.

 $^{
