That respondents Arthur A. Jones and Ray Olive are each over the age of twenty-one (21) years, and are resident citizens of the City and County of Mobile, Alabama, whose addresses in said City are otherwise unknown to this complainant but who are partners doing business in Baldwin County, Alabama, as Mobay Importing Company, a co-partnership; that respondent Mobay Importing Company is a co-partnership composed of respondents Arthur A. Jones and Ray Olive, and has its principal office and place of business in Baldwin County, Alabama, on the Mobile Bay Bridge Causeway. That respondent Causeway Development Company is a co-partnership composed of George Argiro and Manuel Clikas, each of whom are over the age of twenty-one (21)

years; that the address of the office and principal place of business of Causeway Development Company, a co-partnership, is unknown to this complainant, but that the address of Mamuel Clikas, one of the partners, is 301 Dexter Avenue, Mobile, Alabama. That the address of George Argiro, the remaining co-partner of Causeway Development Company, is unknown to this complainant at this time.

2. That under date of March 4, 1954, respondent Causeway Development Company, as lessor, entered into a lease agreement with respondents Arthur A. Jones and Ray Olive, covering the lease of certain real property located on the Mobile Bay Bridge Causeway in Baldwin County, Alabama, for the use as a location for the operation of a business of buying, selling and exhibiting animals, birds and reptiles and the products and derivatives of same and for no other or different purpose for a period of ten (10) years commencing May 1, 1954, and ending April 30, 1964; that a true and correct copy of said lease agreement, marked Exhibit A, is attached hereto and made a part hereof; that the real property covered by said lease and located in Baldwin County, Alabama, is more particularly described as follows, to-wit:

That certain parcel of land commencing at a point on the southern boundary of the Cochran or Bay Bridge Road or Causeway right-of-way in Fractional Section 20, Township 4 South of Range 1 East of the St. Stephens Meridian in Baldwin County, Alabama, one hundred fifty-seven (157') feet west of the northwest corner of the original building known as Argiro's, before any extension was added to same on the western side of said building, for a point of beginning, thence running westwardly along said right-of-way a distance of two hundred (200') feet to a point, thence running southwardly and perpendicular with said right-of-way a distance of seventy-three (73') feet, more or less, to a wooden bulkhead, thence running eastwardly along said wooden bulkhead a distance of two hundred (200') feet to a point, which point is the southwest corner of the property leased by the party of the first part to Arnold Isaac, thence running northwardly and perpendicular with said right-of-way a distance of seventy-three (73') feet, more or less, to the point of beginning on the southern boundary of the said Cochran or Bay Bridge Road or Causeway right-of-way.

Jones and Ray Olive, as aforesaid; that the erection and construction of such buildings and improvements were not in violation of the terms and conditions of said lease, all as will appear from the provisions thereof, but on the contrary was for the purpose of making said leased property more useful for the purposes for which the same was so leased; that on, to-wit, July 28, 1954, the said respondent lessees, individually and as co-partners doing business as respondent Mobay Importing Company, a co-partnership, were indebted to this complainant in the sum of One Thousand Four Hundred Twenty-Seven and 12/100 Dollars (\$1,427.12) for the aforesaid building supplies, lumber and materials so furnished to said respondent lessees and used by them in the erection and construction of the buildings and improvements on the aforesaid property. Jones and Ray Olive, individually and as partners doing business as Mobay Importing Company, a co-partnership, and respondent Mobay Importing Company, a co-partnership, after demand made thereon, have failed to pay the aforesaid sum or any part thereof.

4. That complainant has filed in the office of the Judge of Probate of Baldwin County, Alabama, on, to-wit, September 15, 1954, a verified statement as required by statute, of the amount due

complainant for the said building supplies, lumber and materials so furnished to the respondent lessees of the above described property covered by said lease, and used by them in the erection and construction of the buildings and improvements on said leased property, after all just credits have been given, together with a true description of the leasehold interest and property on which complainant claims a lien, a copy of which said statement, marked Exhibit B, is attached hereto and made a part hereof.
