RE: Removal of Disabilities of
Robert Louis Goram

Dear Judge Hall:

I am filing in Your Honorable Court a petition to Remove Disabilities of a boy who is nineteen years of age and who is a resident of Baldwin. This boy is married and when he got married some of the kinfolk gave he and his bride a piece of real property as a wedding present or in some such way he came into possession of it and now we find out that he can't make a mortgage or put a house on it. This matter was referred to me by Mr. Brewton Greene, a contractor in Mobile, who the boy wants to build a house for him and in order to get the matter straight so that he can give a mortgage and get it built he finds himself in the unhappy position of having to have his Disabilities removed.

Along with the filing of my original petition I am filing a copy of an order which I hope Your Honor will sign which will allow me to submit the matter when service is had on the minor by affidavit.

I am writing you this letter as a matter of background and explanation so that you will be more familiar with the cause when it comes to your desk.

Very truly yours,

Dear Mrs. Duck:

I am enclosing herewith a decree which I hope is in order and two affidavits so that you may present the matter to Judge Hall for final disposition if all is in order. I had previously forwarded to the Judge an order allowing the matter to be submitted on affidavit. I think you all probably know this boy and I have already written the Judge a letter and explained certain circumstances to him as background material.

Would you please present it to the Judge and forward the cost bill to me and I will promptly pay it.

Very truly yours,
