To the Honorable John D. Leigh, Judge of the 21st Judicial Circuit:

The Petition of Lydia White respectfully shows unto your Honor that she is the mother of Mae White, who is a minor over the age of ~~twenty~~ ~~xxxxxxxx~~ eighteen years; that said minor resides in Baldwin County, Alabama; that she is for her age, of mature judgment and of sober and industrious habits; that it is necessary that the disabilities of non-age be removed, so that she can execute a certain deed to property that is being sold by the other heirs, so that she can receive her share of same, and thereby assume personal control over her property, and which your petitioner believes will be to her greatest advantage.

Wherefore, your petitioner prays your Honor to hear and determine the matter of her petition; and that in order to a complete consummation of the premises, your Honor will decree that the disabilities aforesaid, arising from the minority and non-age of the said Mae White be removed, and that said minor be invested with the right to contract, sue and be sued, to buy, sell and convey real estate, and to do and perform all acts which said minor could lawfully do on her becoming of age of twenty one.
