Complainant,

vs.

CITY OF FOLEY, ALABAMA,
A Municipal Corporation,

TEMPORARY INJUNCTION

The Judge of this Court having this day entered a Decree granting the application of the Complainant for a temporary restraining order or temporary injunction against the Respondent, its officers, agents, servants or employees, and those acting in concert with it, from enforcing or attempting to enforce its Ordinance Numbered 101, dated, adopted and approved on the 4th day of February, 1957, against the Complainant in this cause; and further that the Register of this Court issue such injunction or restraining order upon the Complainant entering into a good and sufficient bond, conditioned as provided by law, in the sum of \$500.00, to be approved by the Register.

Now comes Robert E. Godsey, the Complainant in the above styled cause, and presents unto the undersigned a good and sufficient bond in accordance with the terms of the Decree, aforesaid, which said bond is approved by the undersigned as Register.

Upon consideration of all of which it is, therefore

ORDERED, ADJUDGED and DECREED by the Circuit Court of Baldwin County, Alabama, In Equity, in accordance with the Decree of said Court entered on March 15, 1957, at 10:14 o'clock A. M. as follows:

That the City of Foley, Alabama, a municipal corporation, its officers, agents, servants or employees and those acting in concert with it, be, and they are hereby, restrained and enjoined from enforcing or attempting to enforce its Ordinance Numbered 101, dated February 4, 1957, against Robert E. Godsey, the Complainant in this

cause for any alleged violation of said Ordinance until further order of the Circuit Court of Baldwin County, Alabama, In Equity.

It is further ORDERED, ADJUDGED and DECREED by the Court that a copy of this restraining order be served forthwith upon the Mayor and Chief of Police of the City of Foley, Alabama.

DONE this 15 day of March, 1957.

Circuit Court of Baldwin
County, Alabama, In Equity.

that the ordinance complained of violates Section 6 of Article 1 of the Declaration of Rights of the Constitution of the State of Alabama.

10. That the allegation of the bill of complaint that the said ordinance, Exhibit "A", violates Section 35 of Article 1 of the Declaration of Rights of the Constitution of the State of Alabama is a conclusion of the pleader.

11. That the said bill of complaint sets up no facts showing that the said ordinance violates Section 35 of Article 1 of the Declaration of Rights of the Constitution of the State of Alabama.

12. That the allegation of the said bill of complaint that the ordinance, Exhibit "A", violates the 14th Amendment of the Constitution of the United States is a conclusion of the pleader.

13. That the said bill of complaint sets up no facts showing that the said ordinance violates the 14th Amendment of the Constitution of the United States.

14. That the allegation of the said complaint shows that the tax levied under ordinance, Exhibit "A", is operative on all persons, firms, and corporations engaged in the class of business taxed thereby.

15. That the allegation of the said bill of complaint shows on its face that the tax levied by ordinance, Exhibit "A", is not discriminatory.

16. The complaint shows on its face that the tax levied under ordinance, Exhibit "A", applies to all persons alike engaged in the business of marketing trading stamps to merchants in the City of Foley.

17. That the Complaint shows on its face that the said ordinance taxes persons engaged in the business of marketing trading stamps is a lawful exercise of the police power of the City of Foley.

18. The allegation of the said bill of complaint shows on its face that the tax levied under ordinance, Exhibit "A", is a lawful exercise of the taxing power of the City of Foley.

19. The complaint shows on its face that the levy of the tax by the City of Foley on persons engaged in the business of marketing trading stamps is a lawful and reasonable classification.

20. That the said bill of complaint alleges no facts showing that the tax levied on all persons marketing trading stamps is discriminatory.

21. That the said bill of complaint alleges no facts showing that the tax levied on all persons marketing trading stamps is an unlawful exercise of the taxing power of the City of Foley.

22. Said bill of complaint shows on its face that the tax levied on that class of business and that business engaged in the marketing of trading stamps is a lawful tax on that class of business.

23. The fact, as alleged in the bill of complaint, that merchants issuing their own trading stamps and advertising devices are not taxed, does not under the laws of the State of Alabama render the tax levied by said ordinance, Exhibit "A", on business engaged in the business of marketing trading stamps thereunder discriminatory and void.

24. The fact that ordinance, Exhibit "A", does not apply to persons issuing coupons or certificates furnished by a manufacturer or compounder as a part of the original package or item of merchandise and distributed in connection with that one commodity only, nor to persons issuing coupons or certificates exclusively on one private brand product only is not sufficient to authorize this court to grant relief prayed for.

25. The fact that the ordinance, Exhibit "A", does not apply to persons issuing coupons or certificates furnished by a manufacturer or compounder as a part of an original package or item of merchandise and distributed in connection with that one commodity only, nor to persons issuing coupons or certificates exclusively on one private brand product only does not invalidate the levy of the tax on this complainant.

26. The fact that the provisions of the ordinance are not applicable to merchants who issue their own stamps or similar devices does not render the tax levied by the ordinance, Exhibit "A", unconstitutional and is not an arbitrary, capricious and void classification without just basis or reason.

27. Even though the provisions of said ordinance not being applicable to merchants who issue their own stamps or similar

devises should render said provision unconstitutional such invalid provision would not invalidate the whole ordinance, nor render unconstitutional the tax levied thereby against the business engaged in by the complainant.

FIFTH:

That the Complainant did, in the course and conduct of his business aforesaid, on February 15, 1957, and he did, in the course and conduct of his business aforesaid, on each subsequent day thereafter up to and including the date on which this Bill of Complaint was filed, give or issue to the customers of his said business a trading stamp known as an "S&H Green Stamp" for each ten cents (10¢) paid in cash by each of his customers for the purchase of the products and services which he is now engaged in selling, and which he was on the dates hereinabove referred to engaged in selling. SIXTH:

That since the adoption and approval of the trading stamp ordinance and subsequent to the compliance by the Complainant with the terms and provisions of the general license ordinance and schedule the Complainant was, on February 15, 1957, and has been on each subsequent day thereafter, served by an officer, agent, servant or employee of the Respondent with a "Citation To Appear In Municipal Court" to answer to a charge of violating the trading stamp ordinance by giving or issuing trading stamps as therein defined without first having obtained a license as prescribed by said trading stamp ordinance under a complaint made by the Respondent herein. That on February 20, 1957, in answer to said citations, the Complainant appeared in the Municipal Court of the City of Foley, Alabama, to answer the charges made against him on February 15th, 16th, 17th, 18th, 19th and 20th, respectively, by the Respondent; and he was on said date and in said Court tried by the Judge thereof and convicted of said alleged violation and fined Twenty-five and No/100 Dollars (\$25.00) for each of said alleged violations on each of said dates, or a total of One Hundred and Fifty and No/100 Dollars (\$150.00), plus the costs of Court. That on February 20, 1957, and immediately after the trial aforesaid and in open Court and before the same ad-

journed, the Complainant gave Notice of Appeal to the Circuit Court of Baldwin County, Alabama, and the judge of said Municipal Court thereupon fixed an appeal bond in the penal sum of Three Hundred and No/100 Dollars (\$300.00) conditioned on the appearance of the Complainant at the next term of the Circuit Court of Baldwin County, Alabama, and from term to term thereof thereafter until discharged, and abide by and perform whatever sentence may be adjudged against the Complainant, in answer to the alleged violation of said trading stamp ordinance. That the Complainant at said time and place did execute said appeal bond which was then and there approved by the judge of said Court. That on February 27, 1957, in answer to citations served as aforesaid on the dates hereinafter set forth and requiring the Complainant to answer to a charge of violating the trading stamp ordinance by giving or issuing trading stamps as therein defined without first having obtained a license as prescribed in and by said trading stamp ordinance under a complaint made by the Respondent, the Complainant appeared in the Municipal Court of the City of Foley, Alabama, to answer the charges made against him on February 21st, 22nd, 23rd, 24th, 25th, 26th and 27th, respectively, by the Respondent; and he was on said date and in said Court tried by the Judge thereof and convicted of said alleged violations and fined Twenty-five and No/100 Dollars (\$25.00) for each of said alleged violations on each of said dates, or a total of One Hundred and Seventy-five and No/100 Dollars (\$175.00), plus the costs of Court. That the Complainant did thereupon make and execute an appeal bond in the penal sum of Four Hundred and No/100 Dollars (\$400.00) conditioned as hereinabove set forth and which was approved by the judge of said Court all as hereinabove set forth, after first having given Notice of Appeal to the Circuit Court of Baldwin County, Alabama. That since the 27th day of February, 1957, there has not been a session of the Municipal Court of the City of Foley, Alabama, and the charges represented by the citations which have been served on the Complainant since said date are now pending in said Court and the Complainant has been commanded to appear therein on March 9, 1957, at 4:00, P. M., to answer said charges. That the Complainant has now appealed thirteen (13) separate cases to the Circuit Court of Baldwin County, Alabama, from the Municipal Court of the City of Foley, Ala-

bama, each involving the alleged violation by the Complainant of the trading stamp ordinance as aforesaid. That the continued enforcement of the trading stamp ordinance by the Respondent, acting by and through its officers, agents, servants or employees, will cause serious and irreparable injury and damage to the Complainant and he will thereby be deprived of the right to conduct his business in a lawful and legitimate manner and be deprived of valuable property rights. The presence of the officers, agents, servants or employees of the Respondent at the place of business of the Complainant for the purpose of serving the citations hereinabove referred to is, and has been, a matter of continuing embarrassment to the Complainant in the conduct of his said business and constitutes an unlawful and detrimental interference by the Respondent in the conduct and management of a lawful and legitimate business.

SEVENTH:

That the giving or issuance by the Complainant to his said customers of said trading stamps in the conduct and management of his said business does not affect the health, safety, welfare or morals of the citizens of the City of Foley, Alabama, and such manner of conducting and managing the business of the Complainant is not affected with a public interest.

EIGHTH:

That under the terms and provisions of the trading stamp ordinance merchants in the City of Foley, Alabama, may offer cash discounts to their customers without the use of trading stamps or they may advertise and promote their business by means other than the use of trading stamps and they are not required to obtain licenses or to pay a tax similar to that provided in the trading stamp ordinance.

NINTH:

The trading stamp ordinance is unconstitutional and is void and of no force and effect for the following reasons, separately and severally:

1. The ordinance is discriminatory in that it requires the Complainant and other merchants issuing or giving trading stamps to their customers to pay a tax on their gross receipts at a rate and in an amount therein prescribed and does not impose the same on other businesses in competition with the Complainant or the other merchants giving or issuing trading stamps.

2. The ordinance is discriminatory in that it does not impose a license tax upon retail merchants in the City of Foley, Alabama, who offer to the public their own trading stamps, coupons, tickets, certificates and similar advertising and promotional devices.

3. The enactment of the ordinance was beyond the authority of the City of Foley, Alabama.

4. It violates Article 1, Section 35, of the Constitution of the State of Alabama.

5. It violates the Fourteenth Amendment to the Constitution of the United States of America in that it denies the Complainant equal protection of the laws.

6. It violates Article 1, Section 6, of the Constitution of the State of Alabama in that it deprives the Complainant of property and liberty without due process of law.

7. It violates the Fourteenth Amendment to the Constitution of the United States of America in that it deprives the Complainant of property and liberty without due process of law.

8. It is an attempt under the guise of a license tax to fix a penalty on the Complainant for conducting his business in a manner which is not detrimental to the health, welfare, safety or morals of the citizens of the City of Foley, Alabama.

9. It violates Article 1, Section 1, of the Constitution of the State of Alabama in that it is an attempt to impose a license on the method of conduct of a legitimate and lawful business.

10. It is an attempt under the guise of a revenue measure to exercise police power over a manner or method of conducting a legitimate business which manner or method does not offend public morals and does not work an injury to the public.

11. It is an unlawful exercise of the police power of the Respondent.

12. It deprives the Complainant of equal protection of the laws in that it discriminates between the Complainant and others in the City of Foley, Alabama, or its police jurisdiction, engaged in the same business as that of the Complainant, by imposing upon the Complainant an exceptional burden.

TENTH:

That the Complainant has no adequate remedy at law for the redress of the serious and irreparable injury and damage which he will suffer, and which he has suffered, through the continued enforcement by the Respondent of the trading stamp ordinance.

PRAYER FOR PROCESS

The premises considered, the Complainant respectfully prays that the City of Foley, Alabama, a municipal corporation, be made a party Respondent to this Bill of Complaint and that the usual writ of process issue out of this Honorable Court requiring it to plead, answer or demur hereto within the time allowed by law and under the rules of this Honorable Court.

PRAYER FOR RELIEF

The premises considered, the Complainant respectfully prays that upon the filing of this Bill of Complaint that this Honorable Court will grant to the Complainant a temporary injunction restraining and enjoining the Respondent, its officers, agents, servants and employees, and those acting in concert with it, from in any manner or by any means attempting to enforce the trading stamp ordinance, or initiating or prosecuting any proceeding against the Complainant for any alleged violation of said ordinance, pending this litigation. And the Complainant further prays that upon a final

hearing of this cause that this Honorable Court will enter an order and decree declaring the trading stamp ordinance unconstitutional and void and of no force and effect and will, in and by the terms of said order and decree, permanently enjoin and restrain the Respondent from enforcing, or attempting to enforce, said ordinance, or from initiating or prosecuting any proceeding against the Complainant to enforce the provisions thereof. And the Complainant prays for such other, further and different relief to which he may be entitled in the premises.

Respectfully submitted,
