Oct. 30, 1958

To the Circuit Court of
Baldwin County, Alabama:

This is my response to the complaint of my wife dated October 10, 1958. I'm don't going to contest to the divorce, but I want to state a few facts for the court:

I want it to be known that if my wife asked for alimony I want the court to know that I wanted my wife up here where I could support her, every time I asked her she refused in her letters so I don't think I should be made to pay her alimony.

Second she is asking for custody and control of the child. That is alright with me but if she wants support for the baby I want the court to let me be able to see the child sometimes and when she's older to be able to stay with me. On the other hand if my wife should not ask for support and does not want any thing to do with me that's fine also.

Those are the conditions I agree to for this divorce. Thank you very much.

Respectfully
Richard A. Babovich
