

Plaintiffs Charge No. 1.

The Court charges you, members of the jury, that property rights of riparian owners in the waters bordering on their lands are a part of the land, and pass with it by conveyance.

Plaintiffs' Objection
to Oral Order

The permit granted by the U.S. Corps of Engineers would have no bearing on your consideration of the issues in this case either for or against either party. That permit did not convey any property rights either in real estate or material or any exclusive privileges; and it did not authorize any injury to private property or private rights and it did not obviate the necessity of obtaining State or local assent required by law for the structure authorized.
