I am 22 years old and my husband, John W. Whaley, is 32. We were married at Robertsdale, Baldwin County, Alabama, on July 21st 1946. After our marriage, we lived together in Baldwin County, Alabama, as husband and wife until July 1st 1951. On that date my husband left me. The reason for his leaving I expect must be because I had been working right along and he had not. I had been supporting him as well as myself and every time I tried to discuss the situation with him, he flew into a rage and refused to admit his responsibility in our marriage. He has remained away from me without contributing anything toward my support since July 1st 1951. In fact, before he left, he took money that I had earned and used it for his own reasons and purposes. He was not a normal conscientious husband. We have no children nor any property. After he left, I remained a resident of Fairhope, Baldwin County, Alabama, and still continue as a resident there. If I am granted a divorce, I want nothing byt to be free of him and the right to resume the use of my maiden name, Gloria Wells, if I desire to do so.

Glaria A. Mhaley

And the said Chester Wells doth depose and say as follows:

I am the Father of Gloria. I felt from the first that her marriage was a mistake and that she was much too young to be married. I know that John did not take care of her and, at times, mistreated her. I know that she was the main bread winner and that he did not try to change that condition. I know that he left her the middle of 1951 and went to someplace upstate and that he has never come back nor done anything for her since. I know that they lived in Baldwin County, Alabama, after their marriage at Robertsdale in 1946 and that she has continued to live in Fairhope, Alabama, ever since he left her to the present.
