COMMISSIONER

CERTIFICATE

I, Alice Manry, the commissioner named in the commission issued out of the Circuit Court of Baldwin County, Alabama, by R. S. Duck, as Register of said Court, hereby certify that under and by virtue of the power conferred on me by the terms of said commission, I, after having given Howell & Johnston, as solicitors for the complainant, all proper notices of the time and place, called the witnesses named in said commission, that is to say I caused Carolyn C. Reed and Mrs. A. M. Cowden, witnesses on behalf of the complainant in said cause, to come before me at the offices of Howell & Johnston, 518-19-20 First National Bank Annex, Mobile, Alabama, at 5:00 P. M., March 5, 1945, and having had them made known to me as the identical persons named in said commission, they were sworn by me to speak the truth, the whole truth, and nothing but the truth, and in answer to direct interrogatories propounded to them by Thomas O. Howell, Jr., as one of the solicitors for the complainant, they testified as is hereinafter set out, and their testimony was reduced in writing in as nearly as might be the identical language of said witnesses, and I do hereby certify that the attached depositions are true and correct as given by the witnesses.

The respondent having not appeared in court had no representation at said hearing.

I do hereby further certify that I am not of counsel nor kin to any of the parties of this cause, and I am not in anywise interested in the result thereof.

COMMISSIONER

CAROLYN C. REED, being a witness on behalf of the complainant in this cause, and after having been first duly sworn by me to speak the truth, the whole truth, and nothing but the truth, testified as follows:

My name is Lois Carolyn Cowden Reed, and I am the complainant in this bill for divorce. I am twenty-two years of age and I am a bona fide resident citizen of Mobile County, State of Alabama, and have been such for more than one year next immediately preceding the filing of this bill of complaint. In fact, I have lived in Mobile almost all of my life. The respondent, E. L. Reed, Jr., is my husband. He is a non-resident of the State of Alabama. To the best of my knowledge, his last known address was Fort Mason, California. He is twenty-seven years of age. We were married in Mobile, Alabama, on the 4th day of September, 1943, and are now wife and husband. There were no children born to our marriage.

When we were married, we were both students at Auburn, Alabama, and went there to live. My husband finished school in November, 1943, and we went to live in Pensacola, Florida. While we were living in Pensacola, my husband obtained a commission in the Army as a Second Lieutenant in the Veterinarian Corps and he left me on January 18, 1944. After he left I came back to Mobile to live. After I had been back in Mobile a short time, I received a letter from him in which he stated that he thought it best that we get a divorce as soon as possible and in which he stated "for some time I have known that I have no longer loved you". He stated that "we are both still young, with a full life still ahead of us and I feel that a divorce now would be of greater benefit to us both now than an attempted married life together". He further stated "I didn't have that deep underlying feeling for you that a husband should have and which you, if anyone, rightly deserve; so before I break your heart further, and ruin your life thoroughly, I think it best that you get a divorce as soon as possible". He stated to me further that I should find a better husband and

informed me that he did not intend to live with me any longer. From his letter, I know that for quite some time, even before leaving me to enter the Army, that he had no intention of our continuing to live as man and wife. He has voluntarily abandoned my bed and board continuously for more than one year next immediately preceding the filing of this bill of complaint. In my opinion, a divorce is the only means for solving our difficulty. I desire the right to re-marry in the event I so desire and I desire that the use of my maiden name, Lois Carolyn Cowden, be restored to me.

I do hereby certify that the above deposition is true and correct as given by Carolyn C. Reed.

Alice Murray
Commissioner.

MRS. A. M. COWDEN, being a witness on behalf of the complainant in this cause, and after having been first duly sworn by me to speak the truth, the whole truth, and nothing but the truth, testified as follows:

My name is Mrs. A. M. Cowden, and I live at 2514 Springhill Avenue, Mobile, Alabama. I am the mother of Lois Carolyn Cowden Reed, the complainant in this suit for divorce. I know that my daughter is twenty-two years of age and that the respondent, E. L. Reed, Jr., is twenty-seven years of age. I know that my daughter, the complainant, is a bona fide resident citizen of Mobile County, State of Alabama, and has been such for more than one year next immediately preceding the filing of this bill of complaint. In fact she was brought up in Mobile from the time she was two years of age. I know that E. L. Reed, Jr., is a non-resident of the State of Alabama, and understand that he is presently at Fort Mason, California. I know that my daughter and the respondent were lawfully married in Mobile, Alabama, on September 4, 1943, and that they are presently wife and husband. They have no children.

After he finished his schooling in Auburn, Alabama, they went to Pensacola temporarily and while there he received his commission in the Army as a Second Lieutenant in the Veterinary Corps. He left my daughter on January 18, 1944, and went to San Antonio, Texas. A few weeks afterward, I know that he wrote my daughter, which letter I have seen and read, and in which letter he stated that it was his wish that they obtain a divorce and that he had, even before he left, known that it was impossible for them to continue living together. I further know by reason of the fact that my daughter has lived with me continually since that time, that he has completely failed to support my daughter in any way, shape or form. He has no intention whatsoever of ever doing so or ever living with her again. I know that he has voluntarily abandoned her bed and board continuously for more than one year next immediately preceding the filing of this bill of complaint. I know that
