We, the undersigned citizens of Baldwin County, Alabama, residing in or near Summerdale hereby certify that we are personally acquainted with Bernie Taylor and have known him for several years. He is eighteen (18) years of age but his mind has never developed and he has the mind of about a twelve (12) year old boy. He was unable to learn anything in school and was allowed to quit school after going two or three years. He is not dangerous in any way to the general public and we have never known of him being in any trouble other than the usual pranks that boys engage in until he was charged under the present indictment. We believe that Bernie Taylor should be given another chance on account of his mental condition and we respectfully request the Court to do so.

To Whom It May Concern:-

After discussion with the Town Council of the Town of Summerdale, and at their direction, after a poll of public opinion throughout the Town of Summerdale, I respectfully petition that consideration be given to the mental development of Bernie Taylor at his hearing.

I would like to point out that, although he is not fully developed mentally and therefore easily led by older boys, he is in no way dangerous and not a criminal.

It is our opinion that he can be better cared for at home and will make a useful citizen, but that if confined in a penal institution he would probably become a criminal and will then be a menace to the community.

We request your consideration.

Mayor, Summerdale Alabama
