vs.	> NO
MARVIN O. BERGLIN,	
Respondent	}

The depositions of Mrs. Mary P. Berglin and Mrs. Helen Keller, witnesses examined on behalf of the Complainant in the above entitled cause which is pending in the Honorable the Circuit Court of Baldwin County, in Equity.

The said witnesses appeared before me on the 26th day of March, 1936, in the offices of Gordon, Edington & Leigh, located in the Merchants National Bank Building, Mobile, Alabama, and after having been first duly sworn by me to speak the truth, the whole truth, and nothing but the truth, they did each testify and say as follows:

(See the following five pages of testimony)

TESTIMONY OF MRS. MARY P. BERGLIN

My name is Mary P. Berglin and I am the complainant in the case of Mary P. Berglin vs. Marvin O. Berglin, filed in the Circuit Court of Baldwin County, on the equity side, in which I am seeking a divorce. I am over the age of twenty-one years and was over the age of twenty-one years at the time of the filing of the bill of complaint in this cause; Marvin O. Berglin is over the age of twenty-one years and was over the age of twenty-one years at the time that I filed the bill of complaint in this cause. Marvin O. Berglin and I have both been bona fide residents of Baldwin County, Alabama, for a period of more than five years next prior to the filing of this bill of complaint continuously and we are both still bona fide residents of Baldwin County, State of Alabama, at this time. We were both such bona fide residents of Baldwin County, Alabama, at the time I filed said bill of complaint and for a period of five years and more next prior thereto; Marvin O. Berglin and I were lawfully married on January 12, 1933, by Rev. Mr. Lawrence, who was a minister of the Methodist Church; we were married At Fairhope, Baldwin County, Alabama, where we are both now living.

We have been separated at least three times since we were married and on each occasion it was due meanness; he drank, he went out and stayed out as late as he wanted to, come in when he got ready, and just cursed all the time. He wasn't a good provider, fussed every time I asked him for money. He actually struck me and right after that I left him, and filed a suit for divorce in this Court. After this I decided I would try to make a success of our marriage again and I went back to live with him, hoping that we would get along together all right, and I then dismissed that bill of complaint, he promising me that he would do better in the future and would not treat me as he had before. Then last year he

began to treat me wrong and did not do the things he should have done as my husband and I felt it my duty to leave him again, and we tried after that again to make our married life a success but it proved a failure another time. home we were living in is being bought by Mr. Berglin in his own name; and every time there was any misunderstanding his favorite expression was, "if you don't like it, get the hell out of here." Then on March 13, 1936, things came to a head again and I just had to leave him. He drank more or less all of the time but I would not say that he was a drunkard. Just before I left him the last time, I was sick in bed and he became unbearable toward me. He was very careless in the language that he used and in his conduct, and it kept me in a nervous condition all of the time. While I was sick I was suddenly awakened on one occasion by him shoving me in a very rough manner. Before I was taken sick on this occasion Mr. Berglin became very furious about something and he gave me a rough shove and my impression is that he pushed me up against the door. He would go into fits of temper and state that he would like to knock hell out of me, and when he would drink and get into these fits of temper and make these remarks, I would grow very nervous and very unhappy, and my doctor told me that unless I got away from these nervous experiences, or something to that effect, that I would have a nervous breakdown. After Mr. Berglin had struck me on the occasion on which I filed a suit for divorce before, I would not feel safe around him when he got into these fits of temper and which was very frequent, indeed. Since the occurrences above testified to, I have not been Mr. Berglin's wife in any manner and I have not forgiven him in any way for his conduct toward me. I honestly believe that if I should continue to live with Mr. Berglin that my health would absolutely be endangered. I don't think he would ever kill me but from his manner, his language and his rough treatment of me I know I would become a nervous wreck. He frequently left home at night and I would not know where he was and he would come in

around one o'clock in the morning, and I would have nobody in the house with me, thinking he would come home every minute, and I was scared to death while he was out and I was sitting in the house waiting for him to come home and not knowing where he was. I honestly believe from his conduct and remarks to me that if I continued to live with him that he would carry out some of his threats and do personal violence to me, which would be injurious to my health. I have at all times done the very best I could to make Mr. Berglin a good wife and tried to do the things he wanted me to do toward making a happy home, but it seemed he could not be pleased and then it was he would get into a fit of temper and abuse me or else go around the house pouting and I never could tell what was going to happen. It kept me uneasy and nervous nearly all of the time.

Mrs. Mary P. Berglin

TESTIMONY OF MRS. HELEN KELLER

My name is Mrs. Helen Keller and I have been living in Fairhope, Baldwin County, Alabama, for about seventeen years. I know Mary P. Berglin and Marvin O. Berglin and I remember when they were married. I have known Mary P. Berglin since she was a tiny little girl. She is a very, very fine lady and as fine a girl as you would ever want any man to marry. I have known Marvin O. Berglin for many years and I know that he is quick-tempered; he is a drinking man but I have never seen him drunk in my life. I have known them both well for several years but for the past four months they have lived just across the street from me and I have known them very intimately. Mrs. Berglin, to my own knowledge, has done everything in the world she could to make a good wife and a happy home. I know that Mary P. Berglin was sick and in bed and I told Marvin O. Berglin to get a doctor for Mary and he said she didn't need any doctor. He would curse and swear and say she didn't take her medicine. When she was sick in bed he refused to get a colored girl to come and help and after she got better she had to come to Mobile to be examined and she was too sick and weak to walk up town to Mr. Berglin to get money from him to come to Mobile. He had refused to give her the money the night before. She came over to my house and had me call Mr. Berglin. I called Mr. Berglin and asked him to bring Mrs. Berglin the money and told him she was too weak and dizzy to come to town to him. He said she could walk, she wasn't sick and that she was dizzy anyway. He would not give her the money and I called her father and he gave her the money to come to Mobile to see the doctor, and a friend of hers drove her to Mobile. At one time, while Mrs. Berglin was sick in bed, Mr. Berglin was over at my home and I was teasing him about something and he said, "where did you hear that, some

more of Mary's damn lies," and she had never said a word to me about it. One one occasion, while she was sick in bed, I heard him use some very bad language toward her, and said she wasn't sick anymore, said he wasn't going to have anybody around that house that didn't work. He never has treated her as a wife in my presence, but rather treated her as a hired servant. I am a married woman and I am a mother and it is my opinion that Mary P. Berglin would not be safe in living any more with Marvin O. Berglin, and I believe that his treatment of her is such that she or any person with an ordinary mind would have cause to believe that they were in danger, and that his conduct is such that he would sometime do something which was injurious to her health. I have advised her many times from the bottom of my heart that she ought not to try to live with him any more, and I would do this because I believed that it would make a nervous wreck of her, ruin her health and cause her to have a nervous breakdown. I really know from my own observation that Mary P. Berglin did all she could to make a happy home and be a good wife to Marvin O. Berglin. I know that she is a good, clean, honest and truthful girl and I think it would be very injurious to her health to continue any longer under the conditions she was trying to live as the wife of Marvin O. Berglin. Mrs. Helen Keller

CERTIFICATE

I, Marie Layton, under and by virtue of the authority vested in me by the answer and waiver of the respondent in the above said cause, together with the request and consent of the complainant in said cause, and being a duly qualified notary public in and for the County of Mobile, State of Alabama, do hereby certify that in that certain cause pending in the said Circuit Court of Baldwin County, Alabama, in equity, wherein Mary P. Berglin is the complainant and Marvin O. Berglin is the respondent, and under and by virtue of the power conferred upon me by the said above written waiver and request, I caused the said Mary P. Berglin and Mrs. Helen Keller, who are known to me and who are known to me to be the identical witnesses who were examined by Robert E. Gordon, one of the solicitors of record for the Complainant in the above said cause, and whose testimony, over their signatures, is hereto attached, to come before me at the time and place hereinabove stated, that is to say I caused the said Mary P. Berglin and Mrs. Helen Keller to come before me on the 26th dayof March, 1936, in the offices of Gordon, Edington & Leigh, of Mobile, Alabama; that said witnesses were examined by the said Robert E. Gordon, as above stated, testified, their testimony was by me reduced to writing as given by them and as near as might be in the identical language of said witnesses, and that said testimony, after it had been reduced to writing by me, was handed to them and each of them read over their respective testimony, and after they read same over I then asked each of them if there were any corrections and each of them stated no; the said witnesses each assented to and then signed the same in my presence and in the presence of the solicitors of the said parties and then and there swore that said testimony as so given by each of them and as above set out in writing and which was signed by them was true and correct in all particulars.

I further certify that I am not of counsel or of kin to any of the parties to the cause and am not in anywise in-

terested in the result thereof.

IN WITNESS WHEREOF, I have hereunto set my hand and official seal on this the 27th day of March, 1936, at Mobile, Alabama, and do hereby further certify that my commission as Notary Public expires April 5th, 1939.
