STATE OF ALABAMA

IN THE CIRCUIT COURT OF
THE TWENTY-EIGHTH JUDICIAL
CIRCUIT OF ALABAMA

CASE NO. 751 A

MOTION TO DISMISS

Comes now the State of Alabama, by and through, James A. Hendrix, Solicitor, Twenty-Eighth Judicial Circuit of Alabama, and respectfully moves this Honorable Court to dismiss the petition for writ of error coram nobis heretofore filed in this cause, and as grounds for said motion sets down and assigns the following grounds, separately and severally:

1. For that the allegations of said petition are vague, indefinite, uncertain, confusing, completely unintelligible and are mere naked conclusions of the petitioner.

2. For that it affirmatively appears that the allegations of said petition seeks to establish matters which were available to petitioner at the time of trial.

3. For that it affirmatively appears that the allegations of said petition are not concerned with questions of fact.

4. For that it affirmatively appears that the allegations of said petition are insufficient to show that the matters alleged would have prevented the rendition of judgment.

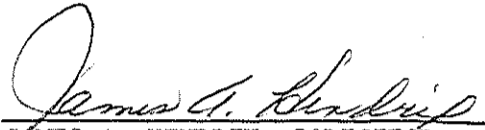

5. For that it affirmatively appears on the face of the petition that the allegations contained therein are unreasonable and lack the probability of truth.

6. For that the allegations of said petition fail to make a credible showing or a substantial foundation of the matters which petitioner seeks to establish.

7. For that the allegations of said petition fail to set forth particular facts which make an adequate showing of the substantiality of petitioner's claim to enable this Honorable Court to ascertain whether facts alleged would afford prima facie just grounds for relief.

8. For that the allegations of said petition fail to allege petitioner's innocence or show a valid defense.

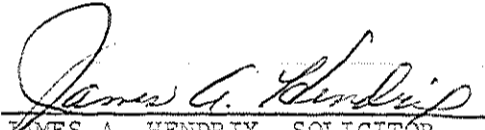

WHEREFORE, the above premises considered, the State of Alabama respectfully moves this Honorable Court to dismiss the petition for writ of error coram nobis heretofore filed in this cause.

TWENTY-EIGHTH JUDICIAL CIRCUIT

Dear Mr. Hendrix:

Re: Coram Nobis Petition of
Louis Harris

I am enclosing a copy of petition for writ of error
coram nobis filed by Louis Harris.

It is noted from his petition that Harris alleges that
he was denied counsel throughout his entire trial.

Due to the fact that these prisoners frequently go
through the State Courts and then proceed through the Federal
District Courts and then are given a hearing on the merits, it
is respectfully suggested that, if you deem necessary, a hearing
be held on this petition in your Circuit Court and that you make
every effort to see that the trial judge gives an opinion showing
each allegation of the petition that it was considered that the
evidence was such that the petition was denied as to each allega-
-tion.

This office hopes that a hearing on the merits in the
Circuit Court, plus a full and complete opinion of the trial
court, will result in the Federal Court denying a similar petition
when the same is presented to that Court. Also, this office is
making every effort to prevent having a hearing on the merits in
the Federal District Court wherein the presence of the circuit
solicitor, trial judge, and others are required.

If this office can be of any assistance, please let us
know.

Dear Sir:

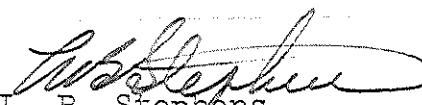

The Board asked that I acknowledge receipt of your letter of December 5, 1963.

The above-named was originally convicted in Jefferson County on February 22, 1937 of two cases of Robbery, for which he received sentences of 15 years in each case.

On December 4, 1944, he was convicted in Baldwin County for Robbery for which he received a 10 year sentence which was to be served at the expiration of the two 15 year sentences mentioned above. This is the explanation as to why the 10 year sentence has not yet expired.

We hope this will be of some value to you in handling this case.
