

State of Alabama, }
Baldwin County .

Circuit Court of Baldwin County,
Alabama.

In Equity .

Your petitioner, Ada Wright, respectfully represents unto your Honor that in the case of *Harley J* Wright vs Ada Wright in the Circuit Court of Baldwin County, Alabama in equity, rendered in vacation on the *24th day of November, 1926*, the presiding judge of said court rendered a decree dissolving the bonds of matrimony then existing between the said *Harley J* Wright and the said Ada Wright, as is shown by the copy of the decree attached hereto and made a part of this petition .

Your petitioner further shows unto your Honor that the decree rendered by the presiding Judge of said Circuit Court aforesaid - does not grant your petitioner, the said Ada Wright, the right to marry again and your petitioner is advised and therefore states it is necessary for her to secure an order from your Honor giving her permission to again enter into the matrimonial relationship.

Your petitioner further shows that she is a suitable person to enter into the marital relation or estate and that she has been for more than twelve months past a bona fide resident citizen of Baldwin County, Alabama, prior to and preceeding the filing of this petition in her behalf and that she is a person of good character and in proof of all which, your petitioner attaches to this petition the affidavits of two reputable citizens of Baldwin County, Alabama.

The premises considered, your petitioner, humbly and earnestly, complaining, prays your Honor to make an order permitting her to marry again and upon such terms and conditions as to your Honor may seem to be meet and proper .
