Dear Tom:-

I wish you would send me in enclosed, self addressed and stamped envelope another subpoena for C. W. Neihuss. You have sent this to me before but while I sent it to the Choctaw County Sheriff for service on the defendant at Riderwood, he has never yet served the paper insofar as I know and I want now to take the matter up with a lawyer at Butler and see if through him I can get the paper served.

Dear Tom:-

RE: James Edward vs Joe Simon, et al.

I have, under your directions prepared the decree pro confesso and final decree for Judge Hare to sign. The decree pro confesso should bear the same date as Judge Hare's bench entry which I think was sometime in February but haven't the exact date. The decree was granted on the day Judge Hare set for settling pleadings at Bay Minette but you can get the date from his docket entry.

I wish you would send the original decree on to him and as soon as it is completed return the original and send me certified copies. We will have to have certified copies for the following respondents, viz: Joe Simon, Clara Bertel Fitzpatrick, Clara Fitzpatrick, Whitney Central Bank and the heirs, etc., of U. Desporte. I therefore send the original and five copies and if you will certify and return the copies to me I will register them in accordance with the requirements of the decree.

Dear Tom:-

I am sending herewith bill of complaint in the case of James Edwards vs Joe Simon et al. All of the respondents except N. Sudeiha and U. Desporte are non-residents. Sudeiha lives in Mobile and Desporte lives at Riderwood in Choctaw County, Alabama. You can send the notices in regard to these two respondents, to me for service. Publication will therefore have to be made as to the non-residents. I believe that under your practice you can enter the proper order on any Monday in vacation, if not, I would like to get you to have the Judge make the order promptly and publish the notice at as early a date as you can. I am bringing the bill under the old practice Article 1 of Chapter 336, instead of by the in rem proceeding Article 2 because I know the names and residences of the respondents.

This suit is necessitated by a slip I made in foreclosing a mortgage several years ago in that I did not properly name the place of foreclosure. The oversight was not wholly mine because I depended on the verity of certain copies of documents furnished me, but I am the goat and consequently want to correct the error as soon as may be.

~~There are six non-resident respondents and I therefore send you the original and six copies of the bill of complaint.~~

Dear Tom:- RE: Edwards vs Simon, et al.

What seems to me to be a slight error in the form of publication appears in the form of notice which you sent me, but the Baldwin Times in attending to publishing it didn't follow the form you furnished. I have therefore taken the liberty of preparing and herewith send you what seems to me to be the proper form for this publication. Give it to the Baldwin Times and tell them to start publication immediately.
