DR. SIBLEY HOLMES, A WITNESS FOR THE COMPLAINANT, BEING
DULY SWORN DEPOSES AND SAYS:

My name is Dr. Sibley Holmes; I am a practicing physician in Baldwin County, Alabama, with offices at Foley; I am acquainted with Elizabeth Zollikofer, the Defendant in the above cause; that John Zollikofer, the Complainant in the above cause, and the husband of Elizabeth Zollikofer, brought her to my office in August, 1924, I, at that time, learned that they were married in July preceding. I, at that time, at the request of John Zollikofer and Elizabeth Zollikofer, made a thorough examination of Elizabeth Zollikofer. I found that she was suffering from both physical and mental infirmities or deformities. I, at that time, found that her womb was badly misplaced; that she was suffering from other female troubles, and that such condition had existed for a great length of time prior to the time I examined her. I, at that time, treated her. She, Elizabeth Zollikofer, came to my office a number of times after her first visit and I treated her in the hope that her condition would be bettered. Sometime later I was called to the home of John Zollikofer to visit Elizabeth Zollikofer and found that she was suffering as a result of a miscarriage. I, at that time treated her and afterwards treated her several times when she came to my office in Foley. It is my opinion that the above stated miscarriage was the result of the physical deformity or condition of Mrs. Zollikofer and that on account of her physical condition such deformity or infirmity could not be remedied, and that in my opinion such deformity or infirmity was permanent. She was treated by me and my Son, who is practicing with me in Foley, several times and also was treated by a number of specialists, so I am advised, but her condition seemed to grow worse from time to time. I also found from my several examinations that Mrs. Zollikofer was also suffering as a result of some mental derangement. It is my professional opinion, based upon more than twenty years of practice, as a physician, that Mrs. Zollikofer's physical and mental deformities or infirmities existed at the time of her marriage; that such physical and mental deformities or infirmities are permanent and incurable; that she is now, and was at the time of her marriage, physically and incurably incapacitated from entering into the marriage state.

I, J. P. Beebe,

as Register and Commissioner

have called and caused to come before me John Zollikofer, Dr. W. C.
Holmes,

witnesses named in the Requirement for Oral Examination, on the 19th day of September,

1930, at the office of Foley, Baldwin County, Alabama,

in Alabama, and having first sworn said witnesses to speak the
truth, the whole truth, and nothing but the truth, the said John Zollikofer

doth depose and say as follows:

My name is John Zollikofer, I am a resident of Lillian, Baldwin County, Alabama, and have been for more than one year next preceeding the filing the Bill of Complaint in this cause. I am over the age of 21 years. Elizabeth Zollikofer is over the age of 21 years and a non resident of the State of Alabama. Her address being Russellton, Pennsylvania. Elizabeth Zollikofer were married at Pensacola, Florida, July, 17th, 1924, and lived together as husband and wife in Baldwin County, Alabama, until May, 1930. I met Elizabeth in April, 1924, in Pennsylvania and went with her quite a number of times and after I moved to Alabama and we were married. At the time we were married I did not know that anything was wrong with her mental or ficieial condition. Soon after we were married in August, 1924, she had some kind of a spell and I immediately took her to Dr. Sibley Holmes in Foley, Alabama. Dr. Holmes made a thorough examination of her and advised me to take her to a nerve specialist. I took her to Pensacola and kept her there under the care of Dr. Noble and she was under his care for about seven months. I then took her to Mobile and placed her under the care of Dr. Kilpatrick, for about two weeks. Dr. Kilpatrick a nerve specialist in Mobile and under whose care Elizabeth was for about two weeks told me that she was not normal and never had

been normal and advised that I take her to Bryce Hospital, Tuscaloosa, Alabama. I continued to live with her in the hope that her condition would be better, but it seemed to grow worse and these spells of mental ~~derangement~~ derangement continued to appear from time to time. From observation and from information gotten from several physicians who attended Elizabeth I am satisfied that at the time we were married she was physically and incurably incapacitated from entering into the marriage state.

John Zollikofer

Dr. W. C. Holmes a witness for the Plaintiff being duly sworn deposes and says as follows: I am a graduate of Tulane University Medical Department, have been practicing medicine for the past six years. I am associated with my father Dr. Sibley Holmes, Foley, Baldwin County, Alabama. Elizabeth Zollikofer was brought to our office in Foley sometime the latter part of 1926, and I made a thorough physical examination of her. ~~SHE~~ I examined her a number of times while under one of these spells and each was practically the same. She each time ^{she} was having hallucinations and delusions and being greatly depressed. And she was apparently suffering from a form of insanity. In my professional opinion this mental and physical derangement had existed from childhood. I also discussed the case with my father, Dr. Sibley Holmes, who had a number of times before the examination made by me examined her, and he too, was of the opinion that she was demented, that this condition had existed apparently from childhood and was apparently permanent. In my professional opinion gained from the examinations I made of her, and also from the frequent seizures and also from the information gained by consultation with my father who had examined her a number of times I believe that she was physically and incurably incapacitated from entering into the marriage state, at the time of marriage.

W. C. Holmes

Dr. H. W. Jordan, a witness for the Plaintiff, being duly sworn
deposes and says:

My name is H. W. Jordan. I am a graduate of Memphis Hospital
Medical College and have been a practicing physician for 18 years.
I am now located at Robertsdale, Baldwin County, Alabama, but was
formerly at Foley, Baldwin County, Alabama. Some time about August
1926, John Zollikofer brought Elizabeth Zollikofer, his wife, to
me for treatment. I made a thorough examination of her. She was
suffering from some mental disorder. She was at that time in my
opinion suffering from some form of dementia. I She was in my
office and I was called to see her a number of times. In my
professional opinion gained from observation and from examination
of Elizabeth Zollikofer was in August, 1926, and had been for some
time, not less than one year, physically incapacitated from
entering into the marriage state. I understand that John Zollikofer
and Elizabeth Zollikofer,
were married sometime in July, 1924, and in my professional opinion
she was at that time physically and incurably incapacitated from
entering into the marriage state. In my professional opinion she
was, at the time I examined her, in an incurable condition:
