Mr. Fred H. Mitchell, Jr.

The car belonging to Winston Mosley was left at my station to be serviced.

Since it was near lunch time he left the car with me while he was at his mothers.

I parked the car in front of my house.

Approximately 3 feet off the Pavement.

I went into the house and during this time the car was hit by Mrs. Stinson.

She moved the car before anyone got there and replied that it wasn't hurt much.

We examined the Chrome on the bumper and found that it had been scratched.

An attempt was made to call the Patrol, but Mrs. Stinson wasn't in favor of doing so, Mrs. Madaris arrived on the scene and also stated that it wasn't hurt much.

Mrs. Stinson said that she would pay for having it fixed.

at a later date Mr. Stinson said that he didn't know which side to believe.

Mrs. Verlia Mae Mitchell

I seen the car belonging to Mrs. Stinson while it was against the car belonging to Winston, and also seen her pull away, I called to her but do not know whether she heard me or not. I seen her as she backed from the drive and turned from the window and heard a loud noise and looped.

Winston looked at the car and made no comment except that he thought the cops should be called but Mrs. Stinson again wasn't in force.

Fred ask Winston if the scratch was already there and he said no.

Mrs. Stinson said it takes the whole road for me to back my big long car out.

She said money is no problem Percy will take care of it.

The car was parked cross ways of our drive about two feet of the road. No one was in the car at the time.

Mr. Winston Mosley

I walked to the window when I heard the noise, and seen her pulling away.

The scratch wasen't already there. \$11. or \$12 would have fixed it then.

I heard all the conversation, I suggested calling the cops but Fred said it was no use, the Stinsons would fix it.

She said it takes the whole road for me to turn around.

The car was popped 3 or 4 feet off the Highway. She didn't want the Patrols called, No one was in the Mosley car.
