PROPOSED AMENDMENT NO. 3

Shall the following be adopted as an Amendment to the Constitution of Alabama?

"The City of Roanoke shall have the power to levy and collect in school district no. 2 of Randolph County a special property tax, in addition to all other taxes now or hereafter authorized by the Constitution and laws of Alabama, of not more than one-half of one per cent on the value of the property situated in the district as assessed for state taxation during the preceding year; provided that all such additional property taxes shall be levied and collected solely for educational purposes and may be pledged to the payment of the principal and interest on bonds, warrants, or other evidences of indebtedness issued for educational purposes, and provided, further, that the rate of such tax and the purpose or purposes thereof and the time such tax is proposed to be continued shall have first been submitted to a vote of the qualified electors of such district and voted for by a majority of those voting at the election. Each election held under the provisions of this amendment shall be ordered, held, conducted, paid for, and governed otherwise in the same manner as provided by the law applicable to municipal corporations or elections to authorize the issuance of municipal bonds. Elections to authorize the levy of such additional tax or taxes may be held as often as ordered by the governing body of the City of Roanoke, but when a proposition is submitted to the electors to levy such additional tax, and such proposition is defeated, then no subsequent election shall be held hereunder in the district for a period of one year thereafter.

"The revenue derived from the additional tax authorized by this amendment shall be used solely for the construction of schools and other educational purposes in school district no. 2 of Randolph County.

"This amendment shall be self-executing." (Under the provisions of Act No. 79, Regular Session, 1959.)
