5. Because the allegations of said petition that the State Highway Department has approved, as necessary and proper and to the best interest of Baldwin County, that petitioner acquire this Defendant's Parcel One (1) for public road purposes, are insufficient as a matter of law, to sustain the right, power and authority to file and maintain this suit for the declared purposes thereof.

7. For aught that appears, this suit has not been filed nor does same purport to be brought against any person as defendant, nor against the lands therein described.
