Dear Mrs. Duck:

Re: Higgins Slacks, Inc.
Vs: Sportsmans Store

In this matter the statement of account does not show the individual items charged for but they are shown by separate invoices.

Has there ever been any ruling in our court where we have to attach the separate invoices to the statement where the items are just listed one by one?

This will run up the recording and filing expenses quite a bit so if we can get out of filing them, fine. Am enclosing them to be on the safe side.

Yours very truly,
