(1) Petitioner is authorized under the Constitution of Alabama, 1901, and under the provisions of Title 19, Section 1, Code of Alabama 1940, as amended, to institute and prosecute these proceedings in its own name for the purposes of a public road or highway.

(2) That said public highway has been designated by the State Highway Director as a part of the State Highway System and also known as Project No. S-60-E, Baldwin County, Alabama.

(3) That said public highway begins at D'Olive Street, in Bay Minette, Alabama, and runs North to the intersection of Alabama Highway No. 59 and the Rabon Road, known as Highway No. 47, about two miles north of Bay Minette, Alabama, all in Baldwin County, Alabama.

(4) The right of way over the property and lands hereinafter described as Tracts Nos. 35, 35B, 35C, 35D, 35E, 35F, 36, 37, 38, 39 and 44, and as set out in the right of way map of Project No. S-60-E on file in the State Highway Department, Montgomery, Alabama, and in the office of the Judge of Probate of Baldwin County, Alabama, at Bay Minette, Alabama, has been deemed necessary by the State Highway Director, State of Alabama, in order to facilitate the flow of traffic and promote public safety.

(5) That fee simple title to said tracts of land is necessary for use by Petitioner as a right of way for such public highway, and in which Petitioner seeks to condemn fee simple title, is

located wholly within Baldwin County, Alabama, and is so described in Exhibits A, B, C, D, E, F, G, H, I, J, and K, attached hereto, and made a part hereof as if fully set forth herein.

(6) That the fee simple title which Petitioner seeks to condemn for highway purposes is set out and described in the right of way map on Project No. S-60-E, which is on file in the State Highway Department, Montgomery, Alabama, and in the office of the Judge of Probate of Baldwin County, Alabama, at Bay Minette, Alabama.

(7) That a diligent search has been made of the records of Baldwin County, Alabama, and diligent inquiry made to ascertain the names and addresses of the parties owning said tracts of land and according to the best of Petitioner's information, knowledge and belief, the said lands are owned and interest in said lands are claimed by the parties named as Respondents in this cause, EXCEPT for BALDWIN COUNTY, ALABAMA.

(8) That Baldwin County, Alabama, a body corporate under the laws of the State of Alabama with its county seat in the City of Bay Minette, Alabama, may have or claim an interest in said tracts by reason of taxes and easements due and chargeable, and is hence made a party Respondent herein.

DEMURRER TO APPLICATION TO CONDEMN

Come now the Respondents, Fred B. Dempsey, Jr. and Nell H. Dempsey, by their Attorneys, and demur to the application to condemn heretofore filed in this Court by the Petitioner and to each paragraph or section thereof and assign, separately and severally, the following grounds in support thereof:

1. The allegations of the application are vague, indefinite and uncertain.

2. It cannot be determined from the allegations of the application whether the State of Alabama seeks to condemn an easement for highway purposes or the fee simple title to the property allegedly belonging to the Respondents.

3. It affirmatively appears from the allegations of the application that the State of Alabama seeks to acquire the title to property located between the lands of the Respondents and a county road on which the property of the Respondents is presently located and to which they have access and the State of Alabama is without authority to deny the Respondents access to and from said county road.

4. The allegation of the application that "fee simple title to said tracts of land is necessary for use by Petitioner as a right of way for such public highway" is a conclusion of the applicant.

ORDER GRANTING APPLICATION AND
APPOINTING COMMISSIONERS

This being the day heretofore appointed by the Court for the hearing of the petition heretofore filed in this Court by the State of Alabama praying that this Court condemn certain lands described therein belonging to the parties named therein for public road purposes as a part of the highway system of the State of Alabama; now comes the Petitioner, by its attorney, and also come Hooper Brothers by their attorney and Bay Minette Land Company, Hampton D. Ewing, Jr., and Hampton D. Ewing, Jr., and James R. Cogan as Co-executors of the estate of James D. Ewing, deceased, and also comes James R. Owen, the guardian ad litem heretofore appointed by the Court; and it appearing to the Court that the Respondents-Condemnees have each had due notice as required by law of the filing of said petition and of the date set for the hearing of the same, the Court proceeded to hear said petition together with all legal evidence touching the same; and it further appearing to the Court that the State of Alabama seeks in its petition to condemn the fee simple title to the lands described in the petition for use as a right-of-way for a public road, but that it is not necessary that the fee simple title to said tracts of land be acquired in that said highway proposed to be constructed is not a controlled access facility and that only an easement for public road purposes is necessary for the uses and purposes of the State of Alabama in this particular project. And the Court having

considered all of the above is of the opinion that the State of Alabama should acquire an easement or right-of-way for public road purposes over and across the several tracts of land as opposed to the fee simple title to said tracts of land; it is, therefore

ORDERED, ADJUDGED and DECREED by the Probate Court of Baldwin County, Alabama, that the petition of the State of Alabama hereinabove referred to be, and the same is hereby, granted to the extent that the State of Alabama shall acquire an easement or right-of-way for public road purposes over and across the several tracts described in the petition as opposed to the fee simple title to said tracts.

And it further appearing to the Court that W. E. Long, Milton Wilson and Donald Cain are three citizens of the county possessing the qualifications of jurors, and who are disinterested, and that the above named citizens are proper and competent persons to act as Commissioners to view the land described in said petition, and, after hearing all evidence, to assess the damages and compensation to which the owners of the land are entitled, they are hereby appointed as Commissioners for the purposes aforesaid.
