Oral examination before the Register of the following witnesses:

Pollie Hansen and James H. Singleton

who reside in Alabama, said examination being conducted in Bay Minette, Alabama, on this the 17th day of October, 1919, and there being present

The said Pollie Hansen being first sworn to speak the truth, the whole truth and nothing but the truth, testified as follows:

My name is Pollie Hansen. I am over twenty-one years of age and reside in Bay Minette, Alabama. I am running a boarding house and have been for a period of since about the 1st day of March, 1919. Minnie Singleton boarded with me for a short time. She was very intimate with Mark Aaron. She sat up on several different nights with no one in the room except Mark Aaron and herself. She was up with him each night while boarding with me until after twelve o'clock and no one was with her but Mark Aaron. She was on a back gallery with Mark Aaron one night after all the lights were out after all the boarders and myself had gone to bed. In my best judgment they were out on the gallery by themselves until after twelve o'clock. I saw her in the room with Mark Aaron one night and they were alone. I do not know when she left out but know that she was in there until late that night. She was with him each

night and they were alone. Mark Aaron had gone to bed the night I saw her in his room. When I saw them they were setting on the side of the bed together. He goes to see her each night now and is with her every chance he gets. When I saw them on the bed together they were in Mark Aarons ~~bed~~ room.

My name is James H. Singleton. I am a resident of Baldwin County Alabama and have lived here for a period of more than three years next before the filing of this bill. I am over twenty-One years of age.

Minnie Singleton is over the age of twenty-one years of age and a resident of Baldwin County, Alabama, both of us residing at Bay Minette, Alabama. On December 15th, 1917 Minnie Singleton and myself were married in Bay Minette, Alabama and lived together as man and wife until to-wit: March 1st, 1918 at which time Minnie Singleton left me saying that she did not care for or love me. She said she would never live with me. We did not have any trouble other than she did not care to live with me. We had no difficulties at all. She said she would not leave her mother and father for any man. I never knew of her being untrue until after we separated for she seems to care for no man. After our separation she has been continuously going with different men. She has been in Bay Minette Alabama at the Hansen Hotel or boarding house and received men. She is constantly with some man. She entertains one at her own home since she left the boarding house. I have not condoned or connived in any of her acts.
