Forestry Equipment Company, garnishee
Case No. 9348 1/2

Dear Mrs. Blackmon:

Just a note for the file. I have been informed by Forestry Equipment Company that when they answered that they were indebted to the defendant in the captioned cause and that they would deduct from his wages under the subject claim, they did not realize that they were already deducting for a prior garnishment. Therefore, we will have to wait our turn and I will follow up on this matter in about thirty days.

Your continued assistance is appreciated.
